DIARRHEA SYRUP. WM. H. READ'S COMPOUND CONCENTRATED SYRUP OF BLACKBERRY ROOT. For Diarrhoca, Dysentery, Cholera Morbus, Cholera Infantum, Summer Disease, or for Children's Teething, this truly valuable Syrup stands without an equal, as thousands of our citizens can testify. It not only checks the bowels, but corrects and regulates them, thus obvisting the necessity of any other medicine. Capt. Wedge, who now resides No. -- Fayette street, formerly in command of the bark Wenhan, a vessel owned by Messrs Jas. Corner &

BERRY SYRUP, and in a few days, strange as it may seem, he had them perfectly well. I got this from his own lips. The price is 50 cents per bottle. Manufactured only by WM. H. READ, 147 Baltimore street, under Carroll Hall, one

Bone, had on board seven men, including him-

self, ill, very ill with dysentery. He treated

them solely with Wm. H. Mead's COMP BLACK-

door east of Calvert street. **CREAM SYRUP** MINKRAL WATER. This is the most elegant drink we know of. WM. H. READ has fitted up, at great expense, a most magnificent Mineral Water Fountain. The syrups are all made of the pure, fresh juice of the fruit; the water is always icy cold, and generated in pure porcelain sountains; thus making it one of the most attractive places in the city. We would like the readers of the Cupper to call and see, or rather taste, for themselves. Remember,

HAIR RESTORER.

HAIR RESTORER HAIR RESTORER. This celebrated article is most effectual in restoring grey hair to its natural color, no matter how aged the person, or how grey the hair, it will, in a short time, thoroughly restore it, and besides it is an elegant hair dresser, making hair oft and silky. I can endorse the above, as have used it, and take pleasure in recommending it to my friends. WM. H. CATHCART.
