DYSENTERY DIARRHEA SYRUP. WM. H. READ'S COMPOUND CONCENTRATED SYRUP OF BLACKBERRY ROOT, For Diarrhous, Dysentery, Cholera Morbus, Cholera Infantum. Summer Disease, or for Children's Teething, this truly valuable Syrup stands without en equal, as thousands of our citizens can testify. It not only checks the bowels, but corrects and regulates them, thus obvisting the necessity of any other medicine. Capt. Wedge, who now resides too. - Fayette street, formerly in command of the bark Wen-

han, a vessel owned by Messrs Jas. Corner & Sons, had on board seven men, including himself, ill, very ill with dysentery. He treated them solely with Wm. H. Read's COMP. BLACK-BERRY EYRUP, and in a few days, strange as it may seem, he had them perfectly well. I got this from his own lips.

The price is 50 cents per bottle. Manufactured only by WM. H. READ, 147 Baltimore street, under Carroll Hall, one

door east of Calvert street. CREAM SYRUP MINERAL WATER.

This is the most elegant drink we know of. WM. H. READ has fitted up, at great expense, a most magnificent Mineral Water Fountain. The syrups are all made of the pure, fresh juice of the fruit; the water is always acr cold, and generated in pure porcelain wuntains; thus making it one of the most attractive places in the city. We woul! like the readers of the Calpper to call and see, or rather taste, for themselves. Remember, 147 Baltimore street, one door from Calvert. HAIR RESTORER. HAIR RESTORER.

HAIR RESTORER. This celebrated article is most effectual in restoring grey hair to its natural color, no matter how aged the person, or how grey the hair, it will, in a short time, thoroughly restore it, and besides it is an elegant hair dresser, making hair oft and silky. I can endorse the above, as I have used it, and take pleasure in recommending it to my friends.
