FRIDAY, AUG. 12, 1864.

Early's Invasion of Maryland.

The Wilmington (N. C.) Journal, gives a ) letter from a rebel officer in Early's army, during the late invasion, from which we copy

the following: the real sentiment of the people of Marsland. a successful occupation of the State. They ly inhabited by the laboring classes. tentions of the lovely Maryland ladies, their | that Mr. Proud, yesterday afternoon, in the hern impressed as this corps was, with the a committee of three members from eac lost to berself. Without we can rescue her by an army, she is destined to be a mere dependency of the United States.

whole cavalry brigades were mounted, and the oppressors of the good people of the State -we mean the Lincolnites-were being punjehed by being forced to donate their horses and provisions for the good of our service. On the 12th day of July we were in line of battle under the forts of Washington city. siege of Richmond. The suburban Washingtonians (the Becessioniste) were quite confiattack: but not one of the most sanguine of } us thought we could take the walled city.-It was not the design to make an attempt upon Washington, to decimate our ranks by an attack upon a place which a handful a men could hold against great odds, and with a shattered army, have the great l'otomac at i our backs. The sequel will show why we threatened Washington.

What a record to show the world! Our own of his own capital! "Where was Mr. Lincoln all this time?" the men would ask. Some would reply that "he was brushing up his heats of August. Scotch cap for another hegira."

approach Mr Lincoln's tutler (perhaps the submitted by Mr. Dukehart some time since, Beast) commenced issuing "lamp posts," | upon the question of acrmitting the citizens cans of preserves (perhaps grapes) to us, in | or Baltimore to express, by their votes, the honor of our arrival. We formed line of battle | running of the city cars on Sunday, was call on the northwest part of the city, and ad jed up. From the fact that the question had vanced sharpshooters. The enemy opened previously been ventilated by the members of from the heavy guns from the forts, causing | the City Council, no debate was had upon but few casualties to us. In fact we have | yesterday, and it was indefinitely postpored | never seen artillery used with such poor by the following vote in the First Branch: effect. With their position, the enemy has Year, Messra. Young, President; Meyer, no exense for not inflicting severe injury upon | lamdin, Wayson, Horner, C. C. Keyser, us. We employed them busily all the 12th Price, Disney, Jones and Proud-10. Nays, and 13th with our sharpshooters. The troops which we first engaged were

The Blessed Rain.—Suffering humanity and

mother earth enjoyed a rare treat last evening in the shape of a good old-fashioned summer thunder storm. The day had been ex- ing for the appointment of a committee to cessively hot, the themometer at one time in- confer with the Provest Marshal General dicating 91 degrees, which was the highest the United States in relation to the approachsome distance nearer the Yankee capital than bear black clouds bearer 40-11-11-11-11-11 ing draft; adopted. Grent has been to curs since his so-called heavy black clouds began floating in the east and by 7 P. M. they had reered around to the northwest, and shortly after that hour large den: we would meet but little resistance in the drops began to descend. The rain as it fell lupon the parched earth afforded vegetation immediate relief. Mankind is so unmindful of the value of rain that a day of storm generally causes gloom, and the reappearance of the sun gives cheerfulness to all. Now it is otherwise. Everybody rejoices that it rains, [ and all hope that it will continue even a day or two. Providence may have withheld the rain that those to be blessed by the showers may better appreciate the favor. The back-bone

capital "besieged," "the backbone of the of the summer solstice may now be considered as broken. Diarrbie and prickly heat, rebellion crushed," and a corps to spare to go with a few coolers, such as was experienced the Sabbath. On motion of Mr. Jones, the orators disappointed Gen. McClellan, if not sleeps will be inaugurated for the noon-day journed.

DYSENTERY

DIARRHŒA SYRUP. WM. H. READ'S COMPOUND CONCENTRATED SYRUP OF BLACKBERRY ROOT, For Diarrhoca, Dysentery, Cholera Morbus, Cholera Infantum, Summer Disease, or for Children's Teething, this truly valuable Syrup stands without an equal, as thousands of our citizens can testify. It not only checks the bowels, but corrects and regulates them, thus obviating the necessity of any other medicine. Capt. Wedge, who now resides No. - Fayette street, formerly in command of the bark Wenhan, a vessel owned by Messrs. Jas. Corner & Sons, had on board seven men, including himself, ill, very ill. with dysentery. He treated

It may seem, he had them perfectly well. I got The price is 50 cents per bottle. timore street, under Carroll Hall, one

door east of Calvert street. **CREAM SYRUP** 

MINERAL WATER. This is the most elegant drink we know of. 1133 WM. H. READ has fitted up, at great expense, a 57% most magnificent Mineral Water Fountain. The fruit: the water is always icy cold, and generated in pure porcelain tountains; thus making if one of the most attractive places in the city. We would like the readers of the Clipper to call and see, or rather taste, for themselves. Remember, 147 Baltimore street, one door from Calvert,

> HAIR RESTORER HAIR RESTORER. HAIR RESTORER This celebrated article is most effectual in restoring grey hair to its matural color, no matter how aged the person, or how grey the hair, it will, in a short time, thoroughly restore it, and besides it is an elegant hair dresser, making hair oft and silky. I can endorse the above, as I have used it, and take pleasure in recommend-
