apprehended invasion. Well may they apprehend it and tremble at its probable consequences. After the middle of September what forces will they have with which to repel invasion! Their reterans' term ! of service will have expired, and they will have returned home. A body, composed almost en. well an discipline, will be all the army they will have with which to repel invasion. Hen will ! not rush to arms to defend their homes as [they do in the Bouth, for Northern soldiers | dies-in tow of steaming Emma. are common laborers, without houses or homes, and who live and support their fami. lies from their daily wages. A war of invasion of the North will suspend their wagestheir daily pay as soldiers, in greenbacks, will 15th icst.

amount to nothing. No bonus is offered to them for enlistment: no hopes of Bouthern plunder will any lunger be held out to them, or, if held out, will any longer delude and deceive them; the expense of living will have quadrupled, and to enlist as soldiers will be to starve their families, The North will not rise to defend itself; but the mastes will cry aloud for peace! For no of a bountiful crop of sugar and molasses. A Sumter, in easy range of our works on Sulli- terms of peace—peace will give them employmatter who corquers, no matter what the 13th inst, for Bultimore. ment-without which they cannot live. The Federal Government is bankrupt, and has no means left wherewith to feed and clothe its soldiers and their families.

It is not on the whole, at all improbable that we may this Fall invade the North, and on her ment. Fort Sumter is still in our possession; soil dictate the terms of peace. At all events it SALE AT THE BALTIMORE STOCK BOARD is worth trying. The North is just about to Furnished by Leonard J. Tormey, Stock and Bill is the time to push her to the wall. A just | retribution demands that we retaliate on her the cruelties she has inflicted on us. An opportunity of doing so may soon occur.

of responsibility, and, at bottom, a man of in the Shenandoah Valley, the results would present themselves in a tangible shape, not only to Grant and Sherman, but to the farm-The Whig also re-echoes the words of its ers of Maryland and Pennsylvania; and it is

undertaken, if not too late in season. arms against us in the Confederate service. made her appearance at Little Rock, a few ! days ago, and received the protection of our authorities. General Sibley accompanied her to the line of the Federal pickets, but was not permitted to come further, although he and General Steele were classmates at West Point. Mrs. Sibley does not, it is said, adopt | child Finis, supposing that it would be their and the country at large that they would yet the sentiments of her husband in regard to the rebellion .- St. Louis Republican.
