

THURSDAY, AUG. 18, 1864.

[Reported for the Baltimore Clipper.] MARILAND CONSTITUTIONAL CONFENTION

H. H. Goldsborough in the chair.

OATH OF STATE OFFICERS. the offi ers of the State.

ernment? Mr. Dent said I would. decided, be was

would vote for U 7

association with the people of the South. its enemies. A man must stand on one side or h under it.

which was sustained which was rejected. the amendmehnt, which was bad. The section was adopted by 31 year to 12 mays - | fident of proving his innocence.

a strict party vote. It was published in the Clipper of Wednesday

and vote "aye"

Annapolis, August 17, 1864. Present, Hon. H. H. Goldsborough, President, to witness the departure of the prisoners.

and 72 members. Committee on the "Elective Franchise." Stockbridge moved to add to section third of the Elisha B. Phelps and Rev. Mr. Wisong.

ac..) the following: "Or who shall be guilty of, or accessory to, any fraud, force, surprise, or tribery, at any primary meeting or nominating convention, to procure

any effice, national, State or municipal." any primary meeting or nominating convention," which was carried, and the words were struck out. The amendment of Mr. Stockbridge as amended, was then adopted Year 45, nays 25. Mr. Duvall offered an additional section provitaken shall remain in existence only until the not prevent the accident. en! of the existing civil war, &c., which was te-

jected; yeas 23, nays 47. tional section, which was adopted: gistered, until the General Assembly shall have passe I an act of registration, and the same shall have been carried into effect. But after such act The report of the elective tranchise was then | to juil. ordered to be engrossed for a third reading.

The Militia .- Mr. Berry, of Billimore county,

chairman of the committee on the militia made the following report: manner no incompatible with the constitution and laws of the United States as may be prescribed b the General &ssembly of Maryland semply of Maryland to provide for and persect, from time to time the enrollment of the militia. and also for its effectual organization, and to make for thi purpose such a division of the State into mi stary districts as may secure these results, and in so doing to especially pass such laws as shall | Grand Jury. promote the formation of volunteer collitia asso-

ciations in the city of Baltimore and every county, and to secure to them such privileges or assistance as may afford them effectual encouragesent of the Senate. He shall hold his office for | cuied, were also arrested and locked up. the term of --- years, and receive for his servi-

ces an ancual salary of ---a minority report. took up the report of the committee on the judi- | court.

clary department. bection I was read and adopted without an - amendment, as follows: Section 1. The judicial power of this State i issuing from them. The process and official char-

acter of justices of the peace shall be authenti-State, or may hereafter be prescribed by law.

Mr. Abbott stated that he offered the amendment in order to test the sense of the Convention upon the question of electing judges by the people amendment after debate was adopted-ayes 52 nays 18 So the Convention decided in favor of the election of judges by the people. The second section was finally amended so as

to read es follows: Section 2. The Judges of the several Courts. except the associated Judges of the Orphans | consequence. tours, shall be citizens of the United States, and of the State, not less than five years next ment, resident in the judicial district or circuit, being brought in contact with the knives of as the cale may be for which they are appointed. They shall not be less than thirty years of age at the time of their election or appointment, and selected from these who have been admitted to practice law in this State, and who are most distinguished for integrity, wisdom and sound legal

judges, was passed over informally. change in the present judicial system, were | notes until further orders. Sec 7th, which abolishes the special office of C. fer, was passed over.

knowledge.

cases, was also passed over al section: "sec. 10. The testimony in equity cases shall be taken in like manner as in cases at law." Pending debate on the above, the Convention

adjourned until & o'clock, P. M.

Ward, who has an office in the building, and giving them At Evening Stock Exchange, 10 o'clock, P. M. the use of the office in which to celebrate the Furnished by Leonard J. Tormey, Stock and Bill nuptials, and in a short time Mr. W. appeared, and the twain were made one according ! to the rites of the Methodist Protestant Church. After receiving the congratulations of those assembled, and securing the cartifi- Hudson cate, the parties left the office, at peace "with all the world and the rest of mankind."

Cleveland, Illinois, and we understand her Cumberland..... parents are in good circumstances. groom says that they have known each other from their youth up. Coleman entered the has kept up a correspondence with the lady, who about nine months since went to New York to see him. He then took her home to her parents, and told her to wait until he had served out his time, when he would make all right: but it appears that the lady thought at 47%@19% cents per lb. the time was too long, and came here to see they were married yesterday, as above stated. Coleman says that he will send her home to her parents, and when his time is out he will serve the certificate (of marriage) on the old folks and claim her. - Wash. Star.

CAPT. T. A. M. CRAVER, U. B. NAVY.would command acceptance; but I carnot | Captain Tunis A. M. Craven, whose death at Mobile is announced, entered the navy on the York. He was a native of New Hampshire, and received his grade as commander on the 24th of April, 1861. He had seen two years and eight months' sea service under his last commission, and twenty-four years and three months in all. For four years and nine months he was unemployed, and had been on shore duty for six years.

Captain Craven commanded the iron clad Tecumseh at the time of his death, and went down when she was destroyed by the torpedo n Mobile bay. He was at the head of the lis of commanders in the service, and enjoyed, a The rebel newspapers appreciate correctly | high reputation for ability, energy and courage. His less will be repsibly felt at this juncture, when the service needs all the edu cated officers it can find. Unit. Craven regided in New York.

> PATHENT OF TROOPS.-Five million five hundred thousand dollars left the Treasury on Tuesday for the payment of troops. The amount is distributed between the covera military departments.
