So may it be.

THE PRESIDENT AND THE DRAFT.—To a friend tion with the Tennessee, the Lackawanna | who remarked that a draft just on the eve of the election would damage his prospects, the President nobly replied: -

> Harwe must either have men, or the war ust stop; I shall issue the call, and if the choice brands at \$10.25@10.75. d ship goes down, it will be with the colors ying. So whether they come by draft, or i volunteering, the nation needs roldiers. These she must have, or else she dies, and then comes anarchy, and the frightful rulu of a dismembered country, or its final surrender to the slave power, against which it now struggles, and calls every freeman to the rescue. Peacel In this struggle that which comes by the sword, will be the more lasting, and worthy as a legacy to posterity."

THE POSITION AT ATLANTA. -The rebel papers, in their telegrams from Atlanta, under date of August 12, admit that the Union bet. | Marshall's Fine at \$5.25; Worthington's at \$5.30 teries are planted in the streets of that city, per sack and Turk's Island at \$1 15 per bushel. and that the houses of McDonough street, running through the centre of the same, had and we quote as follows: heen injured by the shot and shell from the Oubs and E. I., fair to good refl'g\$20.25 @21 25 Union batteries. And yet Jeff Davis, in his A UNIEN has been discovered at Brixham, The increase of deposits in the savings | remarks to Col.
