MEDICAL.

DYSENTERY

DIARRHŒA SYKUP. WM. H. READ'S COMPOUND CONCENTRATED SYRUP OF BLACKBERRY ROOT, For Diarrhoss, Dysentery, Cholera Morbus, the several Assistant Treasurers and designated | Cholera Infantum, Summer Disease, or for Children's Teething, this truly valuable Syrup stands without an equal, as thousands of our citizens can testify. It not only checks the bowels, but corrects and regulates them, thus obristing the necessity of any other medicine. Capt. Wedge, who now resides No. - Fayette street, fermerly in command of the bark Wenhan, a resect owned by Messra Jas. Corner & Sons, had on board seven men, including himself, ill, very ill, with dysentery. . He treated them solely with Wm. H. Mead's COMP. BLACK BERRY SYRUP, and in a few days, strange as

> it may seem, he had them perfectly well. I got this from his own lips. The price is 50 cents per bottle. Namufactured only by WM. H. MEAD, 147 Baltimore street, under Carroll Hall, one door east of Calvert street.

CREAM SYRUP MINERAL WATER. This is the most elegant drink we know of

WPI. H. READ has fitted up, at great expense, a most magnificent Mineral Weter Fountain. The syrups are all made of the pure, fresh juice of the fruit; the water is always key cold, and generated in pure porcelain sountains; thus making it one of the most attractive places in the city. We would like the readers of the Cripper to call and see, or rather taste, for themselves. Remember, 147 Baltimore street, one door from Calvert. HAIR RESTORED. HAIR RESTORER.

HAIR RESTORER. This celebrated article is most effectual in restoring grey hair to its natural color, no matter how aged the person, or how grey the hair, it will, in a short time, thoroughly restore it, and besides it is an elegant hair dresser, making hair oft and silky. I can endorse the above, as I have used it, and take pleasure in recommend-WM. H. CATHCART.
