NAVY DEPARTMENT,
Bureau of Yard and Docks, August 22, 1864.

SEALED PROPOSALS for each class separately endorsed "Proposals for class No. (name the class) for the navy yard at (name the yard,") will be received at this office until the 19th September next, at 1 o'clock, P. M., at which hour the opening of the bids will be commenced, for furnishing and delivering at the several navy yards named, the materials and articles embraced in printed schedules, which, with full instructions, will be furnished on application, and sent by mail, if so requested, to persons desiring to offer to contract for any or all of the classes named therein, by the commandants of the several navy yards, for the classes for the yards under their command, or by the navy agent nearest thereto, or by the Bureau for any or all of the yards.

To prevent confusion and mistakes in sealing the offers, no bid will be received which contains classes for more than one yard in one envelope; nor any bid which is not perfect and complete in itself according to the forms of offer and guarantee, and each individual of a firm must sign the bid and contract.

Bidders are hereby cautioned and particularly notified that their offers must be in the form hereinafter prescribed, and be mailed in time to reach their destination before the time expires for receiving them; *no bid will be considered which shall be received after the period stated, and no allowance will be made for failures of the mail.* All offers must be accompanied by a certified copy of the bidders license.

To guard against offers being opened before the time appointed, bidders are requested to endorse on the envelope, above the address, and draw a line under the endorsement, thus:

OF FIRST QUALITY PILOT BREAD, to be made wholly of extra or superfine Flour, which shall be equal to the standard of "inspection" adopted and in use by the State Flour Inspectors in this city. Bread to be packed in boxes of fifty (50) lbs. bread to each box; boxes to be made of fully seasoned wood, of such kinds as will impart no taste or odor to the bread; bottom and top of single pieces or if two pieces, tongued and grooved together; boxes to be strapped with light green hickory straps. To be delivered in fifteen days from date of award.

75,000 POUNDS PRIME WHITE BEANS (60 lbs. to the bushel,) well seasoned and dry; packed in good, strong barrels, fully head-lined. To be delivered in ten days from date of award.

3,000 LBS. CAREFULLY SELECTED TEA, in original packages; ⅓ Green, ⅓ Souchong, ⅓ Oolong. Packages to be well strapped with green hickory straps, and in perfect order. Cargo and chop marks to be stated on the proposals. Each sample must be marked in full with the name of the party offering, the cargo and chop marks, price and quantity offered. Bidders are requested not to offer more than two samples of each kind of tea. To be delivered in fifteen days from date of contract.

100,000 lbs. HIGH GRADE BROWN SUGAR—To be packed in barrels like samples to be seen in this office, fully head-lined, and to be delivered within eight days from date of award.

5,000 GALLONS OF THE BEST QUALITY OF PURE VINEGAR, made only from cider or whisky; free from all foreign acids or injurious substances, and of a uniform strength; the Whiskey Vinegar taking 28 grains bi-carbonate of potash to neutralize one ounce troy—the Cider Vinegar as near the same strength as may be; to be put up in half barrels of 22 gallons capacity—to be made of white oak, like sample to be seen at this office.—Each delivery to be accompanied with a certificate of a competent Chemist that the Vinegar is of the required strength. Express charges on samples must be prepaid, or the proposals will not be considered. Each bid must have a printed copy of this advertisement pasted at its head, and must be specific in complying with all its terms.

Proposals must not be enclosed with the samples, but be delivered separate, and endorsed "Proposals for Subsistence Stores."

Persons not having the precise variety of Stores above described, but having articles of a similar kind, are at liberty to send in proposals for supplying them, which will receive attention according to price and adaptation to the wants of the service. In all cases not specially excepted the delivery must be made at the time specified. In case of failure, the United States reserves the right of purchase elsewhere to make up the deficiency, charging the advance paid over contract price to the party failing to deliver.

All stores will be carefully inspected and compared with the retained samples. Returns of weights, signed by a regular public weigher, must be furnished whenever required.

Certificate of inspection by professional packers or inspectors, other than the party furnishing the provisions, will be required for meats, certifying on the part of the seller their present quality and condition and the immediately preceding inspection.

The meats will also be examined and passed upon by parties from this office on the part of the United States.

Contractors are expected to hold their goods without expense to the United States until required for shipment.

Payments to be made after the delivery of the stores, if funds are on hand; if none on hand, to be made as soon as received.
