DIABRHOEA SYRUP. WM. H. READ'S COMPOUND CONCENTRATED SYRUP OF BLACKBERRY ROGT, For Diarrhoea, Dysentery, Cholera Morbus, Cholera Infantum, Summer Disease, or for hildren's Teething, this truly valuable Syrup stands without an equal, as thousands of our citizens can testify. It not only checks the bowels, but corrects and regulates them, thus obvisting the necessity of any other medicine. Capt. Wedge, who now resides No. - Fayetta street, formerly in command of the bark Wenhan, a versel owned by Messra Jas. Corner & Sens, had on board seven men, including himself, ill, very ill with dysentery. He treated them solely with Wm. H. Read's COMP. BLACK-BERRY SYRUP, and in a few days, strange as it may seem, he had them perfectly well. I got

this from his own lips. The price is 50 cents per bottle. timore street, under Carroll Hall, one

CREAM SYRUP MINERAL WATER. This is the most elegant drink we know of, WM. H. READ has fitted up, at great expense, a most magniticent Mineral Water Fountain. The syrups are all made of the pure, fresh juice of the fruit; the water is always loy cold, and generated in pure porcettin fountains; thus making it one of the most attractive places in the city. We would like the readers of the Clipper to call and sec, or rather taste, for themselves. Remember, 147 Baltimore street, one door from Calvert.

HAIR RESTORER. HAIR RESTORER. This celebrated article is most effectual in restoring grey hair to its natural color, so matter how aged the person, or how grey the hair, it will, in a short time, thoroughly restore it, and besides it is an elegant hair dresser, making hair oft and silky. I can endorse the above, as I have used it, and take pleasure in recommending it to my friends. WM. H. CATHCART,
