ring his entire address. farmers to prepare their ground for the fall The August term of the Circuit Court for |

the past three weeks, during which time the lantagonist. dockets have been cleared of several cases. The late change in the weather has had a

tendency to hasten home those soj urning in Mr. Jones, was read and laid over: the country during the summer months.

AN APPEAR -It is well known that a numther of those who were strong in the faith, for with Mr. Lincoln, deeming him too slow in were enormously high. the contest-and these thought a stronger man could be attained. They branched or cooled off for the time being, but it is now peculiar prejudices or feelings, and are coming into the support of the regular candidates of the Union party. The New York Tribune, and reviews the circumstances of the times, to the support of the Union cause, and forget all their past differences. It says:

"We have come well nigh to the overthrow of the rebellion; we know that, with a little more patience, a little more energy, a little more courage, we shall soon come to its utter | overthrow. The end is near; the good and the true end is certain if we are faithful to Commissioners for Opening Streets shall give following business was transacted in this ! ourselves, even with such tools as we have. The choice is no longer ours, whether we will throw them saide and try new ones. We posed of. must do this work with such as we have or not do it at all.

"If we throw them aside and abandon the work to other hands, where are we? Alas! who do not know? The best that can befal us in a Copperhead triumph is Disunion - Disunion first between the North and the South, to meet thereafter, as best we may, the question of new boundaries, to be settled by new ! wars, the East and the West, the Pacific and arm and wrist, and in the left breast, the the Atlantic coast arrayed against each other. Or, if Union shall be maintained, it will be a man was immediately attended by Dr. Web. | Ensor, Eig., prosecuting for the State. LOCAL NEWS.

The Refuieing Yesterday.—The Union els ment of our city was greatly excited , Jesterday in consequence of the orders of the President in relation to the firing of one hundred guns, and the display of tiage, as requested by the Mayor, in honor of the recent great successes of the Federal arms in Dixie's land. At an early hour in the morning the public buildings, the residences and places of bush ness of our loyal citizens were gaily decorated with the bright national colors, and at noon, dull booming of cannon announced that the request of the Precident was being complied Each report of the cannons tilled the hearts of poor secesh with unspeak able ageny, while the spirits of all loyal men were elated with the thundering voices from "Yankee" An address was delivered at the Court iron mouths. At the different camps and hespitals the soldiers entered into the glories o the occasion and enjoyed themselves amaz-
