TASHEESH CANDY. HASHEESH CANDY,

Dear Sir-I wish to inform you by this writing that I have been suffering with Aathma in its worst form for \$60 years, speading within that time hundreds of sleepless nights in the most suffering manner. Everything failed to give relief until I obtained a box of HASHEESH CAN-DY, which proved the most wonderful carative agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been so severely attacked that I could with great difficulty breathe at all, and was incapable of lying down at night, having such terrible smothering sensations. Medical men of all schools failed to afford the least relief. Without much hope I resorted to this wonderful Candy in January, 1864, ever since which time I have slept without the least trouble by using some whenever threatened by an attack, and am thankful that such a remedy is to be found. I recommend
