.as notes draw interest from August 15, percons making deposits subsequent to that date smust pay the interest accrued from date of note 150 date of deposit.

Parties depositing twenty.five thousand doilars and upwards for these notes at any one time will be allowed a commission of one quarter of one MARYLAND INSTITUTE. per cent.

SPECIAL ADVANTAGES OF THIS LOAN! IT IS A NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its ? depositors in U.S. Notes considers that it is paying in the best circulating medium of the country, and it cannot juy in anything better, for its own assets ar either in Government securities | [{or in notes or bonds payable in Government par

Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion ] is now worth about three per cent. per annum. for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war ! the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market | year signteen hundred and sixty-four, entitled rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special Act of Congress exempts all stitution which which which be framed by said Convenbonds and Treasury notes from local taxation. On the average, this exemption is worth about two jection, at such time, in such manner and subject on the envelope, above the address, and draw a per cent. per annum, according to the rate of faxation in various parts of the country.

It is believed that no securities offer so great inducements to landers as those issued by the purpose of ascertaining the sense of the people government. In all other forms of indebtedness, the faits or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.
