subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum-money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Gov- THIS (Tresday) EVENING. Sept'r leth, 1861 erament may elect. They will be issued in demominations of \$50, \$100, \$500, \$1,000 and \$5,000, Deborati. and all subscriptions must be for fifty deliars, or some multiple of fifty dollars.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note Bill Laconta...... Stage Manage to date of deposit.

Parties depositing twenty five thousand doilars and upwards for these notes at any one time wil be allowed a commission of one quarter of one | Hall of Baltimore. per cent.

SPECIAL ADVANTAGES OF THIS LOAN IT IS A NATIONAL SAVINGS BANK, offering a | all new faces. higher rate of interest than any other, and the best security. Any savings bank which page its depositors in U.S. Notes considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in Government securities | LVL or in notes or bonds payable in Government pa-

Convertible into a Fix per cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Fonds is not less than sine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cant. per annum.

Its Kremption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury netes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation is various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness the faits or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.
