BANKING.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annumprincipal and interest both to be paid in lawful money.

the holder at maturity, into six per cent. gold THUNT STREET THEATRE. bearing bonds, payable not less than five nor more than twenty years from their date, as the Goveraftient may elect. They will be issued in demominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars, or] some multiple of fifty dollars.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will / be allowed a commission of one quarter of one per cent.

SPECIAL ADVANTAGES OF THIS LOAN IT 13 A NATIONAL BAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its | The Youthful Phenomenon, in his great act depositors in U.S. Notes considers that it is paying in the best circulating medium of the country, and it caused pay in anything better, for its own assets are either in Government securities or in notes or bonds payable in Government pa-

In addition to the very liberal interest on the is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less | ter to 8 o'clock. than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great ! inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property lected by of the country is held to secure the discharge of all the obligations of the United States.
