SPECIAL ADVANTAGES OF THIS LOAN I

It will be seen that the RIVERS AND DERIOUS' actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of | taxation in various parts of the country.

It is believed that no securities offer so great? inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock Children...... companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States. Up to the 24th of September, the subscriptions to this loan amounted to over \$10,000,000.

CAUTION

The American Watch Company. | and to attend to all It having come to our knowledge that imitations of the American Watch have been put upon ! (the market in great numbers, calculated, by their utter worthlessness, to injure the reputation folour genuine products, to protect our own interests and the public from imposition, we sgain publish the trade marks by which our Watches

may invariably be known. We manufacture four styles of Watches -The First has the name

"AMERICAN WATCH CO., Waltham, Mass." engraved on the inside plate. The second has the name "APPLETON, TRACEY & CO., Waltham, Mass., engraved on the inside plate.

The THIRD has the name "P. S. BARTLETT, Waltham, Mass.," engraved on the inside plate. All the above styles have the name American

Watch Co. painted on the dial, and are warrant-1 ed in every respect. The FOURTH has the name "WM. ELLERY, Boston, Mass.," engraved on he inside plate, and is not named on the dial. All the above described Watches are made of various sizes, and are sold in gold or silver cases,

as may be required. It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are usually inscribed with names / so nearly approaching our own as to escape the observation of the unaccustomed buyer. Some? are represented as made by the "Union Watch" I Co., of Boston, Mass." -- no such company exist ing. Some are named the "Soldier's Watch," to be sold as our Fourth or Wm.
