As the notes draw interest from August 15, persome making deposits subsequent to that date for which occasion she presents a powerful must pay the interest accrued from date of note to date of deposit.

SPECIAL ADVANTAGES OF THIS LOAN

IT IS A NATIONAL BAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in Government securities | comprisingor in notes or bonds payable in Government pa- Prima Donna

Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-40 Bonds as not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annuin. Its Kremptica from State or Municipal Taxalica.

IlBut aside from all the advantages we have enumerated, a special Act of Congress exempts all bords and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the to Bounty, Pausian or Back Pay, &c. Full infor government. In all other forms of indebtedness, the faits or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of Piy. all the obligations of the United States. Up to the 24th of September, the subscriptions to this loan amounted to over

\$40,000,000.
