American Watches for Soldiers.

American Watches for Americans. The American Watch Company give notice that in consequence of extensive additions to Mach | their factory buildings and working power, they are now more nearly able than heretofore, to supply the demand for their products. They beg to call esspecial attention to their chespest watch, the "Wm. Ellery," which they have expressly designed for the use of soldiers and others who derive a good watch at a moderate price. This watch is intended to displace the worthless cheap watches of English and Swiss make, with which In case of failure, the United States reserves the | the country is filled, and which, being watches
