ZE Gen. Heintzieman, in his order turning over the command of the Northern Departs ment to Gen. Hooker, says;-"The Department was demoralized by a secret organization, threatening no less than the utter and entire breaking up of the Union, and an organized resistance to the draft. It is believed that the latent loyalty of the people, for a time clouded, has through judicious measures, reasserted itself, and that the

TAT It is the intention of some of Gen. Mc-Clellan's triends to solicit him to sit for a double portrait of Peace and War. The distinguished General, in imitation of Death and him will appear in the sanguinary costume of a Major General rampant, and the other in the simple and subdued buttoniess dress of

Aminidab Bleck, bearing an olive branch. The result of the rebel raid on Handy Borings, in this Btate, shows how much can ling these thiering expeditions. The sturdy Now, let us look at results. We lost eight | Union tarmers of the neighborhood followed every instance they manifested an earnest in | guns. As a set-off, however, we espetured | up the marauders, recovered the goods sto-
