Dear Sir-I wish to inform you by this writing hat I have been suffering with Asthma in its worst form for 10 years, speeding within that | 111 time hundreds of sleepless nights in the most suffering manner. Everything failed to give relief until I obtained a box of HASHEASH CAN-DY, which proved the most wonderful coration agency lever used, relieving me immediately whenever attacked by the disease. Often I ha been so severely attacked that I could with great difficulty breathe at all, and was incapable of lying down at night, having such terrible smoth ering sentations. Medical men of all schools faited to afford the least relief. Without muc hone I resorted to this wonder'ul Candy in Jan nary, 1864, ever since which time I have slept without the least trouble by using some when ever threatened by an attack, and am thankful that such a remedy is to be found. I recommend it to all afflicted by Asthma, Rese Cold, Hay Fe ver, or diseases of that class.
