noring their views of long ago. Prominent among these political charlatans or self duped | depagozues, are Messrs. Stephens, Brown. and Herschel V. Johnson, of Georgia, and Boyos of Bouth Carolles; and gianting back at the sentiments enunciated by them years | prophets.

he uttered when free to speak, in the famous Milledgeville address, will abide forever, be ing anything in their line of art. cause they are the truths of history, and can no more be potten over or annihilated now, than the facts accepted by the world-that the republic was created by our fathers, and that such a man as Washington lived. That speech was except to bave immortalized him es the true friend of his country and of his section, had he but had the manliness to have rioed by it; and the same might Le said of By ce and Herrebel V. Jehrson, as well. But when we find that all there men lack other escential elements of greatness, the herol crdurance and courage to abide that present urpopulatity which had they remained true mu t have been their portion, why, they drift into the herd of vulgar demagogues, the wrecks of abore reputations strew every pag of the world's history throughout the past.

HASHEESH CANDY. ASTHMA. ASTHMA.

Dear Mir-I wish to in form you by this writing that I have been suffering with Asthma in its worst form for 50 years, spending within that DY, which proved the must wonderful corelive agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been so severely attacked that I could with great difficulty bresthe at all, and was incopable o lying down at Light, having such terrible smoth ering sentations. Medical men of all schools failed to afford the least relief. Without much hope I reserted to this wooderful Candy in Jantuary, 1861, ever since which time I have slept without the least trouble by using some whenever threatened by an attack, and am thankful that such a remedy is to be found. I recommend It to all efflicted by Arthma, Rose Cold, Hay Fo-
