it to their friends.

Maryland having decided her own destiny so far as stillation with and devotion to free President Lincoln as follows: institutions is in the case, it remains for her now not to hesitate in the new career she has marked out for herself, not to loss a moment in doing all that is possible to consummate the good work. Fairly enlisted on the side of | loyalty and progress, having made that cutain | .. rie of dress and of living, are simple and which in the past of the national troubles has a gentations. He puts on no airs. Ho is a party firting to vite to not a Reb Lor a Peter sym- Mules and Liwin H. Price. been claimed by the revolutionists as doubt- | xind, tender bearted and generous man. He | juthiser. ful, it will never do now not to vindicate her pus his house to the public. He Lears the 4th. That the Judges be requested to commit Wickard and John J. Kesler. now purposes in the coming election; she must give another verdict confirming all that | has so far been done or foreshadowed. List say loyal man think for a moment of the sensation that will be caused if she does not, of the shout of derision that will be elleited from | weight of his cares and immeres responsibilithe traitors of other States as her good name | ties. for loyalty may be again compromised, when her patriotism under the stimulus she has received abould shine with renewed lustre instead of having to be dimmed, or to taffer an eclipse.

that no people of the many roble common. Indices. He lacks at all its branings. He is tained and vindicated—with a bright future—of wealths relied upon to sustain the Govern- cantions in getting at the facts. Ito dreads he havely surrendered to an ignoble and help- ton and Wm. Cushwa. ment have so many motives to exertion as mistakes which might misland him, or do in- less existence. our own. Certainly, the sentiments of none justice to the absent. His ressening powers have been so carneally canvassed, one party course and his writings are plain but power SOCI-TION of the 1st, 2d and 3d claiming the State za in sympathy with the | 121. They are loaded with common searc. Histes in revolt, the other as earnestly denying it. Let us fail now-and what a renewed phores of "My Maryland" would ring out through the ranks of traitors, and how, oven In England, would the case afford ground for all. He has been called vaciliating. But no further dispute—whether, after all, Maryland did not sigh after "deliverance" at the hands nor the Le ever broken his word, nor taken hier, land Institute are requested to attend a of the Richmond conspirators.

State to rest supine with se much at stakeit will not do to suppose that this battle can be gained without effort. Standing up nobly so far, degrite some petty divisions amongst | the former was guided to his conclusions (too | Giard Royal Arch Chapter of Maryland and loyalic's themselves, shall we be untrue to the often) by will and temper; the latter is only giorious record already made, shall we shamo that determinetion already manifested to stand by the Government which has stood by us?

And let us consider the material prosperity which enters into the consideration of this question. Encouraged by what has been done to clavery, the President has gone directly here already, hundreds and thousands else- against the views of Mr. Blair, and finally rewhere are getting ready to bring their labor quested him to resign his seat in the Cabinet. and their capital into the commonwealth, to help us develop Its splendid resources. And | Government. They are greatly mistaken who when we know this, when facts prove it in- | suppess that firmnets of purpese, decision of contestibly, shall we throw a damper on pur- | character, and gentleness of manners are not | poses so vital to our hopes and successes, shall we say to the outside world that in coming | whatever faults he may have, whatever errors hither they will exter a commonwealth jet | of judgment he may have committed under | torn and divided by the issues that have the upparalleled difficulties of the Governalready done so much within the past four years to keep us back in the pathway to a per- the man for the hour, and that he has been I manent advancement?

Let all note that this view of the case is no | his propie Idle speculation, nothing that may be questioned. A'most throughout the war, the progress of cur sister cities north has been but little hindered, but little retarded. Any one | Sarah McNeil, both of this city who has visited them has been able to note i this fact. And it is because men look for stability, look for security, that they have kept away from a region, from a city too fre quently by its associations inviting invasion, laviting change, revolution, the risk that attands on every thing of the kind.

Now let us suppose that ignoring or defying these reports, we idly drift along, carelers of fixing things on a firmer basis; careless of vindicating our character for undoubted ! loyalty. Buppose that builed in the money of the Masonic Order, the members of St. An- It' verdict go by default, confirm the views as to attend his funeral, from his late residence, 198 Wakd.—The Polis of this Precinct JOHN W.
