Now we aftirm that if Sherman accomplishes his great purpose-and we must hear from him within the next twenty days at most-as having completed his glorious enterprisethe power and preetige of the rebellion will be utterly broken. TATE OF MARYLAND. EXECUTIVE DEPARTMENT. ANNAPOLIS, November 11, 1864. The time-honored custom of the past reminds us that we should appoint a day of Thankagiving and Prayer for the blessings which Almighty

God has permitted us to enjoy. We should prepare for its observance with unabated interest, for though deploying the necessi'y that still constrains us to save the life of the Nation by the vigorous use of its arms, we feel that this war, lamentable as in most of its sepects it is, sorely as it at times afflicts our dearest individual interests and feelings, it still so qualified by other considerations as to prompt us to approach the Throne of Grace with even deener devotion towards Him who has its issues in His keeping. He has suffered neither pestilence nor familie to aggravate its is flictions, MARYLAND INSTITUTE but has blessed our whole country with abundant harvests and extraordinary health. He has subjected the patriotism of our people

to the severest trials, and made it all the brighter for the ordeal. He has given victory to our arms on sea and land in innumerable instances, demanding our earnest thanks for His favor, and our prayers for the gallant menthat have suffered and bled therein. He has rescued our State from the ravages that have frequently threatened it with a merciful interposition that calls for our especial gratitude. He has crowned the labora of all our industrial classes with a success calculated to make us almost forget at times that a war of such magnitude is around us. And now as the year draws towards its close, a new era dewas upon us, unfolding brilliant prospects of fature progress and prosperity.

For these and other untold blessings let us offer up the praise and thankeg ving so justly due To this end, I. Augustus W. Bradford, Governer of Maryland, have appointed THURS-DAY, the 21th day of November, instant, to be beerved throughout the State as a day of General Thanksgiving and Prayer, recommending to its peo le to abstain upon that day from all secular pursuits, and assembling in their respective places of public worship, to unite with meel hearts and due reverence in thanking God for the blessings of the past and imploring the'r contin-

nance in the future. Given under my hand and the Great Seal of the State, at the city of Annapolis, this lith day of November, in the year of our Lord one thou----- ) sand eight hundred and sixty-four, and L. S. of the independence of the United States the eighty-ninth. A. W. BRADFORD

HASHKESH CANDY. ASTHMA,

ASTHMA. MR. WM. H. READ: Dear Sir-I wish to inform you by this writing that I have been suffering with Asthma in its worst form for 20 years, spending within that time hundreds of sleepless nights in the most unffering manner. Everything failed to give re-Hef until I obtained a box of HASHERSH CAN-DY, which proved the most wonderful curative agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been so severely attacked that I could with great difficulty breathe at all, and was incapable of lying down at night, having such terrible smoth ering sensations. Fedical men of all schools falled to afford the least relief. Without much hope I resorted to this wonderful Candy in January, 1864, ever since which time I have slept without the least trouble by using some whenever threatened by an attack, and am thankful that such a remedy is to be found. I recommend it to all afflicted by Asthma, Rose Cold, Hay Fe-
