FRAUDS ON THE REVENUE. Boston, Nov. 18.—The Advertiser contains the following in a special Washington detpatch, dated yesterday;-The lieverue officers of the Ninth Congressional District of New York have just discovered a fraud of the most stupendous kind, involving three of the largest breweries in the country. The proprietors have been arrested and their breweries, with all their appurtenances, as well as stock on hand, seized.

The aggregate value of the property is not less than one million dollars, all of which will be confiscated, if the case is made out against the fffenders. Half the proceeds of the property will go to the persons discovering the the presence of a new work from bor pen to fraud. The parties have been distilling for a long time without license, without making | Only say that we commend it. returns, and without paying any tax.
