#### tyashefsh Candy. HASHEESH CANDY, ASTHMA,

Ma. WM. H. READ: Dear Eir-I wish to inform you by this writing that I have been suffering with Asthma in its worst form for 20 years, spending within that time hundreds of sleepless nights in the most suffering manner. Everything failed to give re-Hef until I obtained a box of HASHEESH CAN-DY, which proved the most wonderful cerative agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been to severely attacked that I could with great difficulty bresthe at all, and was incapable of lying down at night, having such terrible smoth ering sensations. Medical men of all schools failed to afford the least relief. Without much hope I resorted to this wonderful Candy in January, 1864, ever since which time I have slept without the least trouble by using some whenever threatened by an attack, and am thankful that such a remedy is to be found. I recommend it to all afflicted by Asthma, Resa Cold, Hay Fo-
