READ: Dear Sir-I wish to inferm you by this writing that I have been suffering with Asthma in its worst form for 30 years, spending within that time hundreds of sleepless nights in the most suffering manner. Everything falled to give relief until I obtained a box of HASHEESH CAN-DY, which proved the most wonderful curative agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been so severely attacked that I could with great difficulty breathe at all, and was incapable of lying down at night, baving such terrible smoth ering seneations. Medical men of all schools felied to afford the least relief. Without much hope I resorted to this wonderful Candy in Jannary, 1764, ever since which time I have elect without the trast trouble by using some whenever threatened by an attack, and am thankful that such a remedy is to be found.
