

NOT ON A PRATERLESS BED. Not on a prayerless bed, not on a prayerless be. Compose thy westled limbs to rest; For they alone, are blest

1 Wook

With belmy clear, Whom angels keep. No, not though by care opprest. Or thoughts of analitie sorrow, Not though in many a cut perplaned Ut compre morrow, Lay not thy beed on frageriess bed. For who can say, when sleep thine shall close. That earthly cares and woes To thee may e'er return ? House thee my soul, slumber control, and let thy tamp burn brightly; So shalt thou discern Thirrs pure and lightly " ugat by the Spirit, learn Never on playerless bed.

To lay thy unblessed head.

Bething thee, slumbering soul, of all that's pre-To fair in holy Trayer Lives there within thy breatt A worm that gives unrest? Ark reace of Heaven-peace shall be given: Humble self-love and price Before the Crucifled Who for thy size bath died. Nor lay thy head on thankless, prageriess bed Hast thou no bining want, or with, or care. That calls for boly prayer Has thy day been to bright, Trat in itsflight It left no trace of surrow And art thou sure to-morrow Will be like this and more Abundant? D. st thou lay by thy store.

And still make form for more i Thou foo!! this night thy soul may wing it Who chims a peager from thee None who see'er tend the knee From tofidelity? Thick, if by prayer they'se brought-Thy prayer - to be Kigiven. And, mexing prace with Heaven, Litto the cross they're led-Oh, for their sakes, lay not thy head Prayetless, on unblessed bed. Arouse thee, weary soul, nor yield to slum-Till in communion blast, With the elect, ye rest,

[bose tou's of consilers number— And with them raise The note of praise. From earth to heaven. Chosen, reedeemed, forgiven, Bo lay thy happy head Prayer crowned, on blessed ked. A Volunteer Bull Fight-

I remember once seeing, when a lad at achool, a fight between two bulls. Though vere Captela Wiegel states that she avoided company, The company was willing to pay I was not more than eight years of age, I con rever forget the scene. It happened in this wise:

Near the house-an unpretending edifice it was—ran a deep and rapid river.— Across it had been thrown a high wooden bridge, the head railing of which time had destroyed. The ground on the opposite side of the stream was owned by different persons, and farmed by them. One summer day-I remember it as if it were yesterday-the hour of moon had arrived, and for recreation.

that had broken out of their continement attracted our attention. The beasts were not yet in sight of each other, but were approaching at a rate of speed which caused them to meet near the tro much thanked for the cosential aid they ribs, besides to juring him internally. He was which carried but few passengers, and centre of the high bridge which I have rendered the cause and the real with which interested to the Newton Univer which afforded the best opportunities for described, and beneath which ran the rive they to lied for its success.
