TO THE PUBLIC. This emeacious, scientific, and cerative preparation, is now for the first that, at the durgent scilcitation of many personal friends Who have experienced its good effects in privale practice, confidently offered to the public, after having been the means of cufing within the last coven years, at least 8.000 cases of these often fa al diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, toused about by the (Nean's swall Which is one cause of the great fatality atrading these diseases on shipboard. If has also been used more particularly in the mines of Ametralia as well as California. also in several parts of South America Cel. tral America, and Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health which was much impaired by his campaign a the American army in Mexico . It is well known that the terrible scourg Dysoniery, sweeps Into hurriedly made ETETES MANY thousand annually, and that it is not confined in its ravages to any part of our globe. but ranges at large remorse lessly, cutting down, in spite of the best medical aid called to relieve it, the trader infant as well as the sged and trembling adult in all' variations of climate. In view of these facts, and the atter fullure of the menal means used in many instances to relieve the afflicted, the attention of Physician and Surgeon in our Army in Mexico, who barely survived from the exects of the Camp Distemper or Army Diarrhora and who had previously as well as eince anequalled experience in Tropical diseases. was called to the above complaints, and the result is, the introduction to the public of the "Tropical Dysontery Remedy," which after one trial by those afflicted, will make itself favorably known; and if taken, and lowed, a speedy cure will be affected

the accompanying directions strictly fol-With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can te known, as those relieved by it for the last seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, from the bardy mariner to the energetic traveller, as well as soldier, many o whom, as is well known, barely survived to reach their homes at the close of the war with Mexico, with himself, but who have been gratefully astonished at its effects under its administration by him. Throwing saide all wold wiver whime and fables." and the Amilguated Tampering which has always prevailed in regard to these fatal diseases, the proprietors in conclasion would charge those who would not save their loved ones, when prostrated in consequence of these diseases, to give it a trial according to the simple directions, and no physician will ever be needed in the above named dangerous diseases; one small packare often relieving many sufferers. TO MASTERS OF SHIPS .-- To those who "do business on the great waters," it will especially be found invaluable, and no Shipmaster should fail to take it on leaving port, as it was on the sea more expecially, "mid storm and strile" of the elements, its virtues were first more thoroughly made known ac/ abundantly tested by a Ship Surgeon, and that too, while in the West Indies, where it is usually more fatal and rapid is its course than in more temperate climates. The motion of the ship also, from his observation always aggravating the symptoms, and here. tofore balling the best well known efforts to relieve the patient, in the above diseases. \$7" Travellers will find, from the compac form in which the powders are put up, that they can be carried in the pecket, or write their wardrobe, without the slightest iniury. When required, are taken in cold water. No hotel proprietor, or Country Merchant, should be without this justly celebra.

ted remedy, as many opportunities present themselves in the course of the summer where speedy and certain relief is required by their patrons. TESTIMONIALS. An examination of the following testimocials is earnestly invited : they do not purport to have been written in Missouri, Ransas, or some out of the way place, but are from some of the most influential and well known citizens residing in our midst, who can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy. Sin-Your remedy I do not besitate to say, rom my own experience and that of my family, surpasses in its curative effects. all medicines for Bowel Complaints, (cepe cially of children.) I have everknown. And the success which has attended its exhibition in private practice, I cheerfully testify to from my own personal experience, and regret as many others have to my knewledge. that you had not earlier made the public as

ensinted with it as I have often arged you o do, for I have no doubt in Dyseniery many rainable lives thereby might thereby have been saved by it. Respectfully yours, RUFUS CLAGETT. Attorney and Counsellor at Law, No. 16 Wall street CROTON POINT, Westchester Co., N. Y.,

Esterned Friend-I take pleasure in teaifying to the very beneficial effects of your medicine in my family. A case of Dyeentery occurred during the summer of 1852, by which the patient was reduced very low, and although the usual well known remedles were promptly administered, continued to grow worse; but who enite all medicines used by our physicians Also, a variety of SILVER PLATEI) WARE, I for six or eight weeks. There seemed no hope was immediately noticed, and a permanent

cure was effected Very truly yours, RICHARD D. TALCOTT. While confined to my bed in confequence

JAMÉS ROBERTSON. 133 Court atreet, Brooklyn, BROOKI 23, July 1853.
