Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of his time has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with fretting in the head and ears when asleep, great nervousness, being alarmed at sudden noises, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Memory, Prematur Old Age, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

ASTHMA,
ASTHMA.

MR. WM. H. READ:

DEAR SIR,—I write to inform you by this writing that I have been suffering with Asthma in its worst form for 20 years, spending within that time hundreds of sleepless nights in the most suffering manner. Every night I was in hopes of relief until I obtained a box of HASHEESH CANDY, which proved the most wonderful curative agency I ever used, relieving me immediately on hearing of it and by using it a few days I have been so severely attached that I could with great difficulty breathe at all, and was incapable of lying down at night, having such terrible smoth ering sensations. Several of the best of physicians failed to afford the least relief. Without much hope I resorted to this wonderful Candy in January, 1864, ever since which time I have slept without the least trouble by night, and have not even threatened by an attack, and am thankful that such a remedy is to be found. I recommend it to all afflicted by Asthma, Hose Cold, Hay Fever, or diseases of that class.

Rx AYER'S
CHERRY PECTORAL,
FOR THE CURE OF
COUGHS, COLDS, INFLUENZA, HOARSENESS, CROUP, BRONCHITIS, INCIPIENT CONSUMPTION,
and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. Where once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can only assure the public, that its quality is steadily kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify to the unrivalled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named, furnish gratis our AMERICAN ALMANAC in which these certificates, with also full descriptions of the complaints they cure.

For those who require an alterative medicine to purify the blood, we find AYER'S COMPOUND EXTRACT SARSAPARILLA the remedy to use. Try it once, and you will know its value.

THE BALTIMORE
WEEKLY CLIPPER,
THE CHEAPEST NEWSPAPER
IN THE STATE.

The undersigned would call the attention of all desirous of having a good Weekly Journal to the

BALTIMORE WEEKLY CLIPPER,
one of the largest and cheapest Papers published in this or any other State.

At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so

CHEAPNESS,
when everything else almost has advanced in price more than one hundred per cent., is also a great requisite; and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the

WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.

Let those who need such a paper, remember that for this comparatively small amount, they are furnished

THIRTY-TWO COLUMNS
of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.

To accomplish the extensive, however, and to do the undersigned and his subscribers full justice, he must have

PROMPT PAY,
and therefore no paper will be sent from the Office but what is

PAID FOR IN ADVANCE,
and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires without the exception, rightly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprise; and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the state

Let the friends of the paper in the country, recollect also that a

WEEKLY "PRICE CURRENT,"
accurate and reliable, will be amongst the matters furnished, something which alone would justify them in taxing the small amount required for one year.

The aim of the new Proprietor is to furnish a First rate

FAMILY AND BUSINESS PAPER,
embracing whatever may be interesting, amusing and instructive and he hopes, therefore, that the subscription list of the Weekly Clipper will not fall behind any.

Subscriptions must be remitted in

UNITED STATES NOTES.

Postmasters and others sending ten subscriptions, will be furnished one copy gratis.

MEDICAL.

ARMY DYSENTERY.

THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED in the POCKET-BOOK
AND AS A TIMELY RESOURCE IN DISEASE IS UNEQUALLED.

No officer or soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in air-tight metallic coverings, occupy little space, and can be taken in a tumbler of water. The prescription has been proved of the highest efficacy on the Chagres route, in Mexico, Central America, Africa, New Orleans, the haunt of these oftentimes fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a specific, when tried on the most delicate child or the adult, where the printed directions accompanying it are faithfully followed. It is known as

DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA,
(either fecent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Cholic. Put up in small air-tight Packages, which will keep in all climates for any length of time.

TO THE PUBLIC

This efficacious, scientific, and curative preparation, is now for the first time, at the urgent solicitation of many personal friends who have experienced its good effects in private practice, confidently offered to the public, after having been the means of curing within the last seven years, at least 8,000 cases of these often fatal diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, tossed about by the Ocean's swell, which is the cause of the great fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California and Central America, Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health, with the army of Gen. Scott during his campaign in the American army in Mexico.

It is well known that the terrible scourge Dysentery, sweeps into horribly made graves many thousands each year, and that it is not confined to its ravages to any part of our globe, but ranges at large remorselessly, cutting down, in spite of the best medical skill and care, the infant as well as the aged and trembling adult in all variations of climate.

In view of these facts, and the utter failure of the usual means used in many instances to relieve the afflicted, the proprietor, a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Distemper or Army Diarrhœa, and who had professionally, as he and those attended, experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of the "Tropical Dysentery Remedy," which, after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure is effected.

With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can be known to the patients and people, for the last seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, and the antiquated TAMPERING which has always been resorted to in these fatal diseases, the proprietors in conclusion would charge those who would not save their loved ones, when prostrated in consequence of these diseases, to give a fair trial according to the simple directions and no physician will ever be needed in the above named dangerous diseases; one small package often serves to cure a severe case.

TO MASTERS OF SHIPS.—To those who "do business on the great waters," it will especially be found invaluable, and no Shipmaster should fail to take it on leaving ports, it will on the first appearance of "diarrhœa and strife" of the elements, its virtues were first more thoroughly made known and abundantly tested by a Ship Surgeon, and that long, which in Western Africa where it is usually more fatal and rapid in its course than in more temperate climates. The motion of the ship also, from his observation, will be found to be a specific, when all other heretofore famed the best well known efforts to relieve the patient, in the above diseases.

☞Travellers will find, from the compact form in which it is put up, that it will be found to be carried in the pocket, or with their wardrobe, without the slightest injury. When required, are taken in cold water. No family or European or American merchant, should be without this justly celebrated remedy, as many opportunities present themselves in the course of the summer where speedy and certain relief is required by their patrons.

TESTIMONIALS.

An examination of the following testimonials, as expressed in letters, which purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the most influential and well known gentlemen residing in our city, who can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy.

SIR—Your remedy I do not hesitate to say, from my own experience and that of my family, surpasses in its curative effects, all medicines for Bowel Complaints, (especially or children,) I have ever known. And the success which it has met with in my practice in private practice, I cheerfully testify to, from my own personal experience, and regret as many others have to my knowledge, that you had not earlier made the public acquainted with it as I have often urged you to do, for I have no doubt in dysentery many valuable lives thereby might thereby have been saved by it.

Respectfully yours,
RUFUS CLAGETT,
Attorney and Counsellor at Law,
No. 16 Wall street

CROTON POINT, Westchester Co., N. Y.,
April 6, 1865.

ESTEEMED FRIEND—I take pleasure in testifying to the very beneficial effects of your medicine in my family.

A case of Dysentery occurred during the summer of 1863, by which the patient was reduced very low, and although the usual well known remedies were promptly administered, continued to grow worse; but who was completely and effectually restored by the use of your remedy prepared for that complaint.

Subsequently an infant child was attacked with Summer Complaint during the hot months, which resisted the remedies applied by our physicians, for six or eight weeks. There seemed no hope of recovery until your remedy was received and administered, when the change for the better was immediately noticed, and a permanent cure was effected.

Very truly yours,
RICHARD D. TALCOTT.

BROOKLYN, Sept. 1864.

While confined to my bed in consequence of a very severe attack of dysentery, a friend administered a dose or two of your Remedy. The relief was immediate. I advise all my friends to use it, without it I never will be while I have it, with the directions, a Physician need never be called in that usually troublesome and often fatal disease

Respectfully yours,
JAMES ROBERTSON,

BROOKLYN, July 1864.

DEAR SIR—I was taken with a severe attack of dysentery, and could obtain relief from the best advice I could obtain, until accidentally I heard of your medicine. I took it and obtained immediate relief; rode out on the island, and through my imprudence in diet, brought on a severe relapse, which was again relieved by them edicine; and I am happy to add, was permanently cured.

EAST BROOKLYN, L. I., June 1862.

DEAR SIR—The effects of your medicine and mode of treatment in Dysentery, Diarrhœa, and Bilious Fever, I will say, has caused astonishment in my own family. The relief was prompt, decided, and efficient in a few hours; and I am happy to acknowledge, that in my humble opinion, if your medicine is administered, and the directions followed, that a cure would be effected in every instance, in a disease usually fatal in the hands of many so-physical. It is safe and so promptly relieves the infant, as well as adult. We would not be without it. Respectfully yours,
JOHN JAY WOOD

DEAR SIR—The small package of your "Tropical Dysentery Remedy," placed by you in the hands of a friend, a short time previous to your sailing for Australia, has lately performed wonders; curing many of my friends as well as several members of my family, who were attacked at different times in the course of the Summer with Dysentery, Diarrhœa, etc. I can and do most cheerfully state, for the benefit of those who may be similarly afflicted, that it surpasses in its certainty of relief, any medicine I have ever known or recorded by medical men.

Yours truly,

BILL IN THE CIRCUIT COURT FOR BALTIMORE CITY, NOVEMBER TERM, 1864
George Pennington, George S. Pennington and Harriet Pennington his wife, vs. Harriet W. Gibson, Trustee, F. Ogston, Emily Mills Ogston and Alice Ogston. The object of this suit is to procure a decree for the sale of certain property, lying in the city of Baltimore, which was on the 22d day of July, 1852, conveyed to the complainant George Neilson, trustee, to indemnify the complainants Geo. C. Pennington and Harriet Pennington his wife, in case of loss or damage to them by reason of a mortgage of their property to secure a loan made by George W. Ogston from the Savings Bank of Baltimore. The bill states that by an antenuptial settlement executed by George C. Pennington and Harriet his wife, dated the 15th day of July, 1841, the said George Neilson was constituted a trustee to hold the legal interests provided for by said deed, and to carry out the purposes of same, and that the complainants at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan at the said Savings Bank on the day aforesaid, executed two separate mortgages to secure the payment by the said Ogston of eight thousand dollars each, with the interest thereon accruing, payable half yearly. That it was a condition precedent to the said execution of the said mortgages that the said George W. Ogston should execute with the said George Neilson a deed for his interest in certain other property in the city of Baltimore to indemnify the complainants against all loss, harm or damages which might happen to them in consequence of the execution of said mortgages. And accordingly on the 22d day of April, 1852, the said Ogston did convey to the said George Neilson, Trustee, as aforesaid, all his right, title and interest in and to the following lots and parcels of land in the city of Baltimore, viz: 1 set corner of Salisbury alley and Exeter streets; 2 lots at the southwest corner of Market and Exeter streets; 1 lot at the northeast corner of Mulberry and Park streets; 1 lot on which Jno. E. Smith to John Ogston, by deed dated Dec. 7th, 1825; 2 lots on the east side of Jones' Falls, leased by John Ogston to John B. Tanner; 1 lot on Baltimore street, east of Sam. Paul street; 1 lot on Pitt street to have and to hold to the said George Neilson and his heirs to receive the rents, issues and profits, and to pay thereout annually to George C. Pennington $300, and the residue thereof to the said George W. Ogston; and in further trust that, should default be made by the said Ogston in the payment of the said interest, the principal of the said loan to the Savings Bank, so that the said George C. Pennington be compelled to pay the same or any part thereof, the said George Neilson shall apply the proceeds of the rents and profits of the said property, with power to the said trustee to sell out any or all of the said rents for the purpose of making such indemnification. That the bill further states that George W. Ogston died on the 23d day of November, 1862, leaving the defendants, his widow and children, all of whom reside at Morristown, New Jersey, the said Harriet W. Ogston and the said Emily Mills Ogston having died in his life, nor has any person since his death, paid any part of the interest or principal of the said mortgage debt; nor did the said George Neilson, as such trustee, collect the rents and profits, nor did he pay to the said George C. Pennington the said sum of $300 per annum from the 22d day of April, 1852, to the present time, with interest, is still due to the said George C. Pennington.

That the said Pennington did pay a part both of the principal and interest of the said mortgage debt, which the said George Neilson, as trustee, is entitled to be reimbursed out of the said property so conveyed for his indemnity.

That the said Savings Bank proceeded to sell the said mortgaged property, by which proceeding the said property so conveyed for by way of indemnity has become liable to be sold and ought to be sold to indemnify the plaintiff in premises, and that the same has never been adjusted and settled. The bill prays that the complainants by causing a copy of this order to be inserted in some newspaper published in Baltimore, once in each of three successive weeks, before the 26th day of December, give notice to the said absent defendants of the nature and object of bill, and warn them to be and appear in this court in person
