AYER'S
CHERRY PECTORAL,
for the rapid cure of
COUGHS, COLDS, INFLUENZA, HOARSENESS, CROUP, BRONCHITIS, INCIPIENT CONSUMPTION,
and for the relief of Consumptive Patients in advanced stages of the disease.
So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public can no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.
We can only assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.
Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of my remedies, but space here will not permit the insertion of them. The Agents below named, furnish gratis our AYER'S ALMANAC in which they are given, with also full descriptions of the complaints they cure.
Those who require an *alterative medicine* to purify the blood, will find AYER'S COMPOUND SARSAPARILLA the remedy to use.—Try it once, and you will know its value.

MEDICAL.

ARMY DYSENTERY.
THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED in the POCKET-BOOK AND AS A TIMELY RESOURCE IN DISEASES UNEQUALLED.

No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in strictly hermetically sealed packages of 24, 36, 48 and 100 in a package, and can be taken in a tumbler of water—The prescription has been proved of the highest efficacy and in Chagre route, in Mexico, Central America, and elsewhere, the exact of these oftentimes fatal diseases of the bowels. It is the remedy of an eminent Medical practitioner who has had an extensive experience as surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a specific, when tried on the most delicate child or the adult, where the printed directions accompanying it are faithfully followed. It is known as
DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA,
(either recent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Colic. Put up in small air-tight Packages, which will keep in all climates for any length of time.

TO THE PUBLIC
This efficacious, scientific, and curative preparation, is now for the first time, at the urgent solicitation of many personal friends who have experienced its good effects in private practice, confidently offered to the public, after having been the means of curing within the last seven years, at least 6000 cases of these often fatal diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, tossed about by the Ocean's swell, which in one case of 18, deep fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California, also in several parts of South America, Central America, and Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health, which was ruined in the Mexican campaign in the American army in Mexico.
It is well known that the terrible scourge Dysentery, sweeps into hurriedly made graves many thousand annually, and that it is not confined in its ravages to any part of our globe, but ranges at large remorselessly, cutting down, *in spite of the best medical skill called to relieve it*, the tender infant as well as the aged and trembling adult in all variations of climate.
In view of these facts, and the *utter failure* of the usual means used in many instances to relieve the afflicted, a lot conveyed to a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Distemper or Army Diarrhœa, and on his return home, was induced by his unequalled experience in Tropical diseases, was called to the above complaints, and the result was the introduction to the public of the "Tropical Dysentery Remedy," which after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.
With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can be known, as those relieved by it for the last seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, from the hardy mariner to the energetic Yankee, as well as the soldier, many of whom, as it is well known, barely survived to reach their homes at the close of the war with Mexico, with himself, but who have been greatly benefited in its effects under the administration by him.
Throwing aside all *"old wives' whims and fables,"* and the ARRIGATED TAMPERING which has always prevailed in regard to these fatal diseases, the proprietors feel confident would charge those who would not save their loved ones, when prostrated in consequence of these diseases, to give it a trial before sending to the last resort, that a physician will ever be needed in the above named dangerous diseases; one small package often relieving many sufferers.

TO MASTERS OF SHIPS.—To those who do business on the great waters, it will especially be found invaluable, and the commander should fail to take it on leaving port, as it was on the sea more especially, "mid storm and strife" of the elements, its virtues were first more thoroughly known, and abundantly tested by a Ship Surgeon, and that too, while in the West Indies, where it is usually more fatal and rapid in its course than in more temperate climes. The position of the ship also, from his observation, always aggravating the symptoms, and here before rallying the sea well known efforts to relieve the patient, in the severe diseases of the summer where speedy aid certain relief is required by their patrons.

TESTIMONIALS
An examination of the following testimonials is earnestly invited: they do not purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the most reliable and well known citizens residing in our midst, who can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy.
SIR—So highly I do not hesitate to say, from my own experience and that of my family, surpasses in its curative effects, all medicines for Bowel Complaints, (especially of children) that I have ever tried in the success which has attended its exhibition in private practice, I cheerfully testify to, from my own personal experience, and regret very much, that I was not earlier made the public acquainted with it as I have often urged you to do, for I have no doubt in Dysentery many would have been thereby might thereby have been saved by it.
Respectfully yours,
RUFUS CLAGETT,
Attorney and Counsellor at Law,
No. 15 Wall street.

CROTON POINT, Westchester Co., N. Y.,
April 6, 1858.
ESTEEMED FRIEND:—I take pleasure in testifying to you the beneficial effects of your medicine in my family.
A case of Dysentery occurred during the summer of 1852, by which the patient was reduced very low, and although the usual well known remedies were promptly administered, continued to grow worse; but who was completely and effectually restored by the use of your remedy prepared for that complaint.
Subsequently an infant child was attacked with Summer Complaint during the hot months, which run its course unabated, despite all medicine used by our physician, for six or eight weeks. There seemed no hope of recovery until your remedy was received and administered when an improvement was immediately noticed, and a permanent cure was effected.
Very truly yours,
RICHARD D. LALCOTT.

BROOKLYN, Sept. 1, 1855.
While confined to my bed in consequence of a severe attack of Dysentery, a friend administered a dose of your Tropical Dysentery. The relief was immediate. I advise all my friends not to be without it; and I know while I have it, with the directions, a Physician need never be called in, that usually troublesome and often fatal disease.
Respectfully yours,
JAMES ROBERTSON,
133 Court street, Brooklyn.

BROOKLYN, July 1858.
DEAR SIR—I was taken with a severe attack of Dysentery, and could get no relief from the first article I could obtain, until accidentally I heard of your medicine, I took it and obtained immediate relief; rode out on the island, and through my own imprudence in diet, brought on a severe relapse, which was again relieved by the medicine, and I am happy to add, was permanently cured.
JOHN WILSON,
Sh. Hawk st., near Myrtle Ave
or
EAST BROOKLYN, L. I., June 1858.
DEAR SIR—The effects of your medicine and mode of treatment in Dysentery, Diarrhœa, etc., I have witnessed with pleasure and astonishment in my own family. The relief was prompt, indeed, and in a few short hours; and I am happy to acknowledge, that in my humble opinion, if your medicine be administered, and the directions followed, that a cure would be effected in every instance in the disease, more so final in the hands of many able physicians. It is equally safe and as promptly relieves the infant, as well as adult. We would not be without it.
Respectfully yours,
JOHN JAY WOOD

DEAR SIR—The small package of your "Tropical Dysentery Remedy," placed by you in the hands of Brig. A. Short time previous to your sailing for Australia, absolutely performed wonders; curing many of my friends as well as several members of my family, who were taken ill during the time in the course of the summer with Dysentery, Diarrhœa, etc. I can, and do most cheerfully state, for the benefit of those who may be similarly afflicted, that it turns out in its certainty of relief, as no medicine I have ever known prescribed by medical men.
Yours truly,
CLARENCE CULBERHILL,
Corner Bedford and Park Avenues,
Brooklyn, L. I.

NEW YORK, May 17, 1857.
SIR—The medicine called the "Tropical Dysentery Remedy," obtained by the deponent, who was for six months Physician to Tammany Hotel, I know to be all that is above enumerated, which were name-sounds in our house in 1851, from the number of Californians stopping with us, it in every instance at once relieved both the patients and themselves and those afflicted, saving many lives.

BILL IN THE CIRCUIT COURT FOR BALTIMORE CITY, NOVEMBER TERM, 1864.
George W. Ogston, George C. Penniman and Harriet Penniman his wife, vs. Harriet N. Ogston, Frank E. Ogston, Emily Mills Ogston and Alice Ogston.
The object of this suit is to procure a decree for the sale of certain property lying in the city of Baltimore, which was by deed dated the 15th day of April, 1859, conveyed to the complainant George Neilson, trustee, to indemnify the complainants Geo. C. Penniman and Harriet Penniman his wife, in case of loss or damage to them by reason of a mortgage of their property to secure a loan made by George W. Ogston from the Savings Bank of Baltimore. The bill states that by an assumption settlement executed by George C. Penniman and Harriet his wife, dated the 15th day of July, 1861, the said George Neilson was constituted a trustee to hold the legal interests provided for by said deed of trust, and to exercise the powers thereof, that the complainants at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan at the said Savings Bank, on the day aforesaid executed two separate mortgages to secure the payment by the said Ogston of eight thousand dollars, with the interest thereon accruing, payable half yearly, and in the event of the non-fulfilment of the conditions of the said instrument or the non-execution of the said mortgages that the said George W. Ogston should execute to the said George Neilson a deed for his interest in certain other property in the city of Baltimore, to indemnify the complainants against all loss, harm or damage which might happen to them in consequence of the execution of the said mortgages and the said recited deed of the 15th day of April, 1859, the said Ogston did convey to the said George Neilson, Trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land to wit: Beginning for the first lot on the corner of Salisbury alley and Exeter street; 2 lots at the southwest corner of Market and Second streets; 1 lot at the northeast corner of Salisbury and Park streets; 1 lot conveyed by Jno. B. Smith to John Ogston, by deed dated Dec. 7th, 1823; 2 lots on the east side of Jones' Falls, leased by John Ogston to Wm. B. Barnet; and 10 lots on the west side of Jones' Falls, leased by John Ogston to Wm. Ogston; and 1 lot on Pitt street to have and to hold to the said George Neilson and his heirs to recover the rents, issues and profits, and to pay thereout annually the Ground Rents reserved by the said indenture of the said George W. Ogston; and in further trust that, should default be made by the said Ogston in the payment of the said interest or principal of the said loan to the said Savings Bank, so that the said George C. Penniman be compelled to pay the same or any part thereof, the said George Neilson shall apply the balance of said rents and profits towards the indemnity of the said Penniman, with the power to the said trustee to sell out any or all of the said rents for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 23d day of November, 1862, leaving the defendants, his widow and children, all of whom reside at Merristown, New Jersey. That the said George W. Ogston did not pay the said interest, and in default thereof, the said any part of the interest or principal of the said mortgage debt, nor did the said George Neilson, as trustee, collect the said rents and profits, as directed by the said deed of trust, whereupon the said George C. Penniman the said sum of $480 per annum from the 22d day of April, 1862, to the present time, with interest, is still due to the said George C. Penniman, etc.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be reimbursed out of the said property conveyed for his indemnity.
That the said Savings Bank proceeded to sell the said mortgaged property, by which proceedings the said property so conveyed for by way of trust became liable to be sold, and the same is about to be sold to indemnify the plaintiff as promised.
It is therefore adjudged and ordered this 10th day of November, 1864, that the complainants by causing a copy of this order to be inserted in some newspaper published in Baltimore, once in each week for four successive weeks, before the 15th day of December next give notice to the said absent defendants of the object and substance of said bill, and warn them to appear in this Court in person or by solicitor, on or before the 1st day of April next, to answer the premises, and show cause, if any they have, why a decree ought not to be passed as prayed.

IN THE CIRCUIT COURT FOR BALTIMORE CITY.—In the matter of the petition and bill of Robert Hutton and others, etc., for partition, etc.
The bill states that by an assumption settlement executed by George C. Penniman and Harriet his wife, dated the 15th day of July, 1861, the said George Neilson was constituted a trustee to hold the legal interests provided for by said deed of trust, and to exercise the powers thereof, that the complainants at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan at the said Savings Bank, on the day aforesaid executed two separate mortgages to secure the payment by the said Ogston of eight thousand dollars, with the interest thereon accruing, payable half yearly, and in the event of the non-fulfilment of the conditions of the said instrument or the non-execution of the said mortgages that the said George W. Ogston should execute to the said George Neilson a deed for his interest in certain other property in the city of Baltimore, to indemnify the complainants against all loss, harm or damage which might happen to them in consequence of the execution of the said mortgages and the said recited deed of the 15th day of April, 1859, the said Ogston did convey to the said George Neilson, Trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land to wit: Beginning for the first lot on the corner of Salisbury alley and Exeter street; 2 lots at the southwest corner of Market and Second streets; 1 lot at the northeast corner of Salisbury and Park streets; 1 lot conveyed by John B. Smith to John Ogston, by deed dated Dec. 7th, 1823; 2 lots on the east side of Jones' Falls, leased by John Ogston to Wm. B. Barnet; and 10 lots on the west side of Jones' Falls, leased by John Ogston to Wm. Ogston; and 1 lot on Pitt street to have and to hold to the said George Neilson and his heirs to recover the rents, issues and profits, and to pay thereout annually the Ground Rents reserved by the said indenture of the said George W. Ogston; and in further trust that, should default be made by the said Ogston in the payment of the said interest or principal of the said loan to the said Savings Bank, so that the said George C. Penniman be compelled to pay the same or any part thereof, the said George Neilson shall apply the balance of said rents and profits towards the indemnity of the said Penniman, with the power to the said trustee to sell out any or all of the said rents for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 23d day of November, 1862, leaving the defendants, his widow and children, all of whom reside at Merristown, New Jersey. That the said George W. Ogston did not pay the said interest, and in default thereof, the said any part of the interest or principal of the said mortgage debt, nor did the said George Neilson, as trustee, collect the said rents and profits, as directed by the said deed of trust, whereupon the said George C. Penniman the said sum of $480 per annum from the 22d day of April, 1862, to the present time, with interest, is still due to the said George C. Penniman, etc.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be reimbursed out of the said property conveyed for his indemnity.
That the said Savings Bank proceeded to sell the said mortgaged property, by which proceedings the said property so conveyed for by way of trust became liable to be sold, and the same is about to be sold to indemnify the plaintiff as promised.
It is therefore adjudged and ordered this 10th day of November, 1864, that the complainants by causing a copy of this order to be inserted in some newspaper published in Baltimore, once in each week for four successive weeks, before the 15th day of December next give notice to the said absent defendants of the object and substance of said bill, and warn them to appear in this Court in person or by solicitor, on or before the 1st day of April next, to answer the premises, and show cause, if any they have, why a decree ought not to be passed as prayed.
