THE
BALTIMORE
WEEKLY CLIPPER,
THE CHEAPEST NEWSPAPER IN THE STATE.
The undersigned would call the attention of all desirous of having a good Weekly Journal to the
BALTIMORE WEEKLY CLIPPER,
one of the largest and cheapest Papers published in this or any other State.
At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so
CHEAPNESS,
when everything else almost has advanced in price more than one hundred per cent, is also a great requisite: and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the
WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.
Let those who need such a paper, remember that for this comparatively small amount, they are furnished
THIRTY-TWO COLUMNS
of closely printed matter per week that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.
To accomplish the above end, however, and to do the undersigned and his fellow-toilers full justice, he must have
PROMPT PAY;
and therefore no paper will be sent from this office but what is
PAID FOR IN ADVANCE,
and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. Without the adoption, rigidly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprise, and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the South.
Let the friends of the paper in the country, recollect also that a
WEEKLY CLIPPER CORRESPONDENT
is wanted in every locality, to whom the matter furnished, something which must tend to justify them in favoring the result named; a quiet life for one year
The aim of the new circular is to furnish a
First rate
FAMILY AND BUSINESS PAPER,
embracing whatever may be interesting, romance and instruction and be kept, therefore, that the subscription list of the *Weekly Clipper* will not fall behind any.
Subscriptions must be remitted in
UNITED STATES NOTES.

MEDICAL.

A RMY DYSENTERY.
THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED in the POCKET-BOOK AND AS A TABLET BE SOURCE IN DISEASE IS UNEQUALLED
—
No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in air-tight metallic coverings, occupy little space, and can be taken in a tumbler of water—The prescription has been proved by the highest efficacy on the Chagres route, in Mexico, Central America, and elsewhere, the want of these oftentimes fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as surgeon on the Panama Steamship line, where he had the worst cases of Cholera, fever and dysentery to deal with, and it can be relied on by all as a *specific*, when tried on the most delicate child or the adult, where the printed directions accompanying it are faithfully followed. It is known as
DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided care of
DYSENTERY AND DIARRHŒA,
(either recent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Cholic. Put up in small air-tight Packages, which will keep in all climates for any length of time.
—
TO THE PUBLIC
This efficacious, scientific, and curative preparation is now for the first time, at the urgent solicitation of many persons at friends who have experienced its good effects in private practice, confidently offered to the public, after having been the means of curing within the last two years, at least 5,000 cases of these often fatal diseases, many of them on crowded passenger ships and steamships, on which the discoverer was Surgeon, tossed about by the fortunes of war, which is one cause of the great fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California, also in several parts of South America, Central America, and Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health, which was much impaired by his campaign in the American army in Mexico.
It is well known that the terrible scourge Dysentery, at times, has literally made graves many thousand annually, and that it is not confined in its ravages to any part of our globe, but ranges at large remorselessly, cutting down, *in spite of the best medical aid called to relieve it*, the tender infant as well as the aged and trembling adult in all variations of climate.
In view of these facts, and the *utter failure* of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who fortunately survived from the effects of the Camp Distemper or Army Diarrhœa, and who had previously, as well as since, unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction of this Specific of the "Tropical Dysentery Remedy," which after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected
With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits will be exhausted accidentally I heard of your medicine. I took it and obtained immediate relief, rode out in the cars, and through my own imprudence in diet, brought on a severe relapse, which was *again* relieved by the medicine, and I am happy to add, was permanently cured.

DEAR SIR—The effects of your medicine and mode of treatment in Dysentery, Diarrhœa, etc., I have witnessed with pleasure and astonishment in my own family. The relief was prompt, decided, and effectual in a few hours; and I am happy to acknowledge, that in my humble opinion, if your medicine be administered, and the directions followed, that a cure would be effected in every instance, in a disease usually fatal in the hands of many able physicians. It is equally safe and as promptly relieves the infant, as well as adult. We would not be without it.

BILL IN THE CIRCUIT COURT FOR BALTIMORE COUNTY, December Term, 1864
George Neilson, George C. Penniman and Harriet Penniman his wife, vs. Harriet W. Ogston, Frank T. Ogston, Emily Mills Ogston and Alice Ogston. The object of this suit is to procure a decree for the sale of certain property lying in the city of Baltimore, which was on the 23d day of April, 1852, conveyed to the complainant George Neilson, in trust, to secure the payment of certain sums of money to the complainants George C. Penniman and Harriet Penniman his wife, in case of loss or damage to them by reason of a mortgage of their property to secure a loan made by George W. Ogston from the Savings Bank of Baltimore. The bill states that by an antenuptial settlement executed by George C. Penniman and Harriet his wife, dated the 15th day of July, 1845, the said George Neilson was constituted a trustee to hold the legal interest in certain lots of ground, and to carry out the purposes thereof, the complainants at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan from the said Savings Bank, on the day aforesaid, executed the separate mortgages to secure the payment by the said Ogston of the sum of eight thousand dollars, with the interest thereon, at various payable half yearly. That it was a condition precedent to the said execution of the said mortgages that the said George W. Ogston should execute to the said George Neilson, in trust, a mortgage in certain other property in the city of Baltimore to indemnify the complainants against all loss, liens or damage which might happen to them in consequence of the execution of the said mortgages. And accordingly on the 23d day of April, 1852, the said Ogston did convey to the said George Neilson, Trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land in the city of Baltimore, viz: lot corner of Salisbury alley and Exeter street; lots at the southwest corner of Market and Second streets; lot at the northeast corner of Mulberry and Park streets; 1 lot corner of Jno. R. Smith to John Ogston, by deed dated Dec. 7th, 1825; 2 lots on the east side of Jones' Falls, leased by John Ogston to John R. Jannet; 1 lot on Baltimore street, east of St. Paul street; 1 lot on Pitt street to have and to hold to the said George Neilson and his heirs to recover the rents, issues and profits, and to pay thereout annually to George C. Penniman $300, and the residue thereof to the said George W. Ogston; and in further trust that, should default be made by the said Ogston in the payment of the said interest or principal of the said loan to the said Savings Bank, so that the said Savings Bank should be compelled to pay the same or any part thereof, the said George Neilson shall apply the balance of the rents and profits towards the indemnity of the complainants, with power to the said trustee to sell out any or all of the said rents for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 27th day of November, 1862, leaving the defendants, his widow and children, all of whom reside at Sterrittown, New Jersey. That the said George W. Ogston did not during his life, nor the said person since his death, pay any part of the interest or principal of the said mortgage debt, nor did the said George Neilson, as trustee, collect the said rents and profits, nor did he pay to the said George C. Penniman the said sum of $300 per annum from the 23d day of April, 1852, to the present time, with interest, is still due to the said George C. Penniman.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be paid out of the said property so conveyed for his indemnity.
That the said Savings Bank proceeded to sell the said mortgaged property, by which proceedings the selling of the same was stayed by writ of injunction, but because the said injunction has become liable to be dissolved, and the said property is about to be sold to indemnify the plaintiff in premises.
It is therefore adjudged and ordered this 20th day of November, 1864, that the complainants by causing a copy of this order to be inserted in some newspaper published in Baltimore, once in each week for four successive weeks, before the 26th day of December, give notice to the said absent defendants of the nature and object of this suit, and warn them to be and appear in this court in person or by solicitor, on or before the 1st day of April next, to show cause, if any they have, why a decree ought not to be passed as prayed.

MISCELLANEOUS.

NOTICE TO CONSUMERS OF HYDRANT OIL.—The Inspectors of Oil will from time to time make deliveries to all persons who may suffer their Hydrant or water Stopcocks to waste, as it subjects our citizens to inconvenience and danger by the accumulation of ice. The following rules and regulations, if strictly adhered to, will save much trouble and expense by having the oil drawn from the street doors instead of the cellars, and leaving the hydrants open during the cold weather all the time.
The law will be rigidly enforced.

THE PEACE COMMISSION.
Said Abe to Jeff: "Let's have a talk,
And try to stop this strife,
By which the country's lost so much
In treasure and in life;
I think first we should now agree
To end this bloody carnage,
And bring back Peace and plenty
To our bleeding land again!"
Then, answered Jeff, "it pleases me
To hear you talking so,
And if I only knew the way,
I'd gladly stop this woe;
But a bush I am not one
The public mind to sound,
And if you'll point out to me
I'll be obliged to you."
"Your's only to lay down your arms,
And act your species free—
Return to your allegiance,
And forgiven you shall be."
"I'm sure we are very kind,
But I don't quite like the 'figure,'
For our people, all, are much opposed
To setting free the nigger."
"That's nonsense, Jefferson, my boy,
For Slavery, you know,
Must perish, and it will,
It's received a mortal blow."—
"Well, well, if Slavery must die
For freedom still we fight
We want our independence,
And want nothing else—that's right."
"What stuff! your Independence!
Who no bad power of it, pray?
As a portion of the Union
If you return, still you may
Be "free and independent."
As the Union o'er must be
And as brothers will enforce the right
On land and on the sea!"
"You're horsed our towns," says Jefferson,
Such talk, pray you give o'er,
Remember Carnthusberg in flames—
"The Valley's air no more,
For Milroy, Hunter, Sheridan
Almost drear hare made
Of Virginia's lovely Valley
And its homes in ruin laid!"
"Enough! enough," said Abram,
"I have no more to say,
If you seek to kindle up old fires
Till by another way!"
The conference then was ended,
And the meeting was in vain
And the work of blood and slaughter
Was quick resumed again.
But Abe had not forgotten
That promise he had made
To make another effort
(And now none will be afraid
For both sides are weary fighting,
And they wish the war to cease
Nor damage which might happen to them in consequence of the execution of the said mortgages. And accordingly on the 23d day of April, 1852, the said Ogston did convey to the said George Neilson, Trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land in the city of Baltimore, viz: lot corner of Salisbury alley and Exeter street; lots at the southwest corner of Market and Second streets; lot at the northeast corner of Mulberry and Park streets; 1 lot corner of Jno. R. Smith to John Ogston, by deed dated Dec. 7th, 1825; 2 lots on the east side of Jones' Falls, leased by John Ogston to John R. Jannet; 1 lot on Baltimore street, east of St. Paul street; 1 lot on Pitt street to have and to hold to the said George Neilson and his heirs to recover the rents, issues and profits, and to pay thereout annually to George C. Penniman $300, and the residue thereof to the said George W. Ogston; and in further trust that, should default be made by the said Ogston in the payment of the said interest or principal of the said loan to the said Savings Bank, so that the said Savings Bank should be compelled to pay the same or any part thereof, the said George Neilson shall apply the balance of the rents and profits towards the indemnity of the complainants, with power to the said trustee to sell out any or all of the said rents for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 27th day of November, 1862, leaving the defendants, his widow and children, all of whom reside at Sterrittown, New Jersey. That the said George W. Ogston did not during his life, nor the said person since his death, pay any part of the interest or principal of the said mortgage debt, nor did the said George Neilson, as trustee, collect the said rents and profits, nor did he pay to the said George C. Penniman the said sum of $300 per annum from the 23d day of April, 1852, to the present time, with interest, is still due to the said George C. Penniman.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be paid out of the said property so conveyed for his indemnity.
It is therefore adjudged and ordered this 20th day of November, 1864, that the complainants by causing a copy of this order to be inserted in some newspaper published in Baltimore, once in each week for four successive weeks, before the 26th day of December, give notice to the said absent defendants of the nature and object of this suit, and warn them to be and appear in this court in person or by solicitor, on or before the 1st day of April next, to show cause, if any they have, why a decree ought not to be passed as prayed.
WM. ALEXANDER.
