1 Yest..... 30 00 UNE EQUARE CONTAINS SIE LINES OF SPACE THE FALLING SNOW. It was a merry morning. All nature laughed Canadian home.

And the soow birds horped from beanch to branch of every bending tree, And the fure white snow, descending upon the covered ground, Fell with a scarce-heard murmur-a gentle When in the withless gazing, a beautiful young With golden tresses, smiles of mirth, and eye so also and wild. Cried gally to his mether, and kept on calling-"These are angels' feathers, mother-falling, fal-"My carling calle," the mother said, and pressed aim o ber breast-.These are but snow-flakes, Charlie, upon the

For wearied are they, with their long and windtopsed, heavenly way. Dropping - dropping - dropping from the distant But will the little one replied, with dreamy, half closed eyes. "Does not an angel have two wings, and them when he flies ?" "Ch! y she has." And for a little time the litte one calling. "These are angels' feathers, mother-falling, falling, falling."

BEX'S BEAVER.

A pioneer settler in the woods of Canada has need to be a man of brave heart and strong hand. We had been five years on our Canadian farm, and we had "a frame house" as fairly fitted for two famiwoods made the two brothers next to the latten and management of its ismater, the Circuit Court for Baltimore County - Ba oldest very uneasy. They wanted world to conquer, and I remember when warden is charge" Walter, the eldest, now eighteen, said to ! my father. "Give John aud me ten shillings each to buy axes, and we will never a receipt in full of our inheritance. "And you may well do so, if you have your health and can fetch your food from home for awhile," said my mother.

ed, each with an az and a knapsack, for a they believe their treatment is as hind and the Court after transacting come chanshould bear his own name; but he lag great credit upon Mr. Cowan, the clerk, lisped and called himself Tugge, and for nestness and accuracy. other folks called him what he called himself, and hence the ngly name was fast. ened on a very lovely valley which is now a beautiful and prosperous village, long ago ema cipated from forest trees, bea

4.-It will remove all dandruff and itchi 3.—It will make the hair cott, glossy ar -6.—It will preserve the criginal color to clo m.-It will cure all discases of the scalp. READ THIS CERTIFICATE I am happy to add my testimony to the great value of the "London Hair Color Restorer," which restored my hair to its eriginal dark culor, and the bue appears to be ermanent. I am eath-fled that the preparation is nothing like a dye, but operates upon the secretions. It is also a beautiful bair, for the sicedy and positive curs of Teller, dressing, and promotes the growth. I pur- Salt Rheam, Ring Worm, Barber's Rich. chased the first bottle from Laward B.
