THE FALL OF SAVASNAH AND THE ENT.

For one; since the opening of the rewhich have befallen their cause. Glance hands, as for prayer. that one of the "chivalry" was good anywhere against five of their opponents! They were a "military people"-their vocations "fitted them for command" and oracle from Heaven that the time would singular circumstances. Mr. Jamison, come when an army of the hated Yankees | recently deceased, had left his large estate, would be seen marching leisurely through principally to his sons, leaving his the Christman festivities? If so, go to J. M. the heart of rebeldom-cutting it abso- daughters, three in number, only six Colliday's, N. F. corner of Payette and Echroelutely in twain, and this without anything | thousand dollars each, coupled with the | der streets, and select from his fine stock-the paper will not be admitted. The requirities are happening to it in the way of punishment, strange condition that the amount should best to be had in the market-and usappreschathey would have deemed the one who l could venture such a prediction-mad.

withstanding their recent terrible disasters, their demonstrated helplessness to cutside." But the other day, Sherman for the ladies, and on the further side from cents. was no match for Hood, and the latter the stove for himself. One of the ladies moving on the Union commander's rear, stated that she wished to examine some was to cut him off from his base of sup-litems, and requested the will to be handed plies, and in turn move across Tennessee and Kentucky to the Ohio river. And moved to the opposite side of the table and how confidently did Howl set out on his sat alongside of her. march! At the first go off, he was to along with impunity-being in the rear when his auspicions were allayed by her of his adversary-he was to march tri- asking her sister for the poker. Thinking ) umphantly into the capital of Tennessee, rather ashamed of his suspicions, when he quarters and base of supplies, make his This for a moment diverted his attention, sway felt throughout the region from the when, in an instant, the will was handed, Gulf to the Ohio. But how have we seen rammed into the hot stove. Mr. Craven wiled on to destruction? Thrown off on and the will, before he could interfere, a talse quest, induced to believe that he destroyed forever. would have little or no difficulty in crush Charles B. Lore, Esq., has a copy. at the option of the latter, when the Union | New Castle. general had coazed them far enough

And when we turn to the ultimate movements of Sherman, we see them outgeneraled to the same disastrous extent. Gathering their raw militia from the whole ) region threatezed, and mixing in with them here and there, a regiment or brigade [1] W. Clewell (where he is engaged). Fine French Persumes and Commetiques in endof voterans, they stationed themselves at | when a young man by the name of W. W. | less vertery.
