MEDICAL.

ARMY DYSENTERY.

THE GREAT REMEDY FOR
Army Dysentery.
CAN BE CARRIED in the POCKET-RULE AND IS A SURE CURE IN
SEVERE DIARRHŒA,
UNEQUALLED.

No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in sizes suited to the service, occupy little space, and can be taken in a tumbler of water. The prescription has been proved by the highest efficacy on the Chagres route, in Mexico, Central America, and elsewhere, the haunt of these attendants of fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as Surgeon on the Panama Steamship line, where he has treated the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a *specific*, when tried on the most delicate child or the adult, where the printed directions accompanying it are faithfully followed. It is known as

DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA,
(either recent or chronic), Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Colic. Put up in small air-tight Packages, which will keep in all climates for any length of time.

TO THE PUBLIC

This efficacious, scientific, and curative preparation, is now for the first time, at the urgent solicitation of many personal friends who have experienced its effects in private practice, confidently offered to the public, after having been the means of curing within the last seven years, at least 8,000 cases of the most obstinate cases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, tossed about by the Ocean's swell, which is one cause of the great fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California, in several parts of South America, Central America, and Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health, which was much impaired by the campaign in the American army in Mexico.
It is well known that the terrible scourge Dysentery, sweeps into burially made graves many thousands of our soldiers, and it is not confined in its ravages to any part of our globe, but ranges at large remorselessly, cutting down, *in spite of the best medical skill and attention*, the tender infant as well as the aged and trembling adult in all variations of climate.
In view of these facts, and the *utter failure* of this fatal disease in many instances to relieve the afflicted, the attention of Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Dysentery, and American Surgeons who had previously, as well as the unequalled experience in Tropical diseases, was called to the above complaints, and the result is the introduction of this, the "Tropical Dysentery Remedy," which after ore trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.
With these few remarks, it is now confidently offered to the public, who can rely that not one half of its wonderful powers can be known, as those relieved, by it for the last seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, from the hardy merlage to the energetic traveller, as well as soldier, many of whom, as is well known, barely survived to reach to their homes at the close of the war with Mexico, with himself, he will not have been gratefully astonished at its effects under its administration by him.
Throwing aside all "old fogy" notions and "fogy" ideas in the administration of medicine which has always prevailed in regard to these fatal diseases, the proprietors in connexion would charge those who would not cave their loved ones, to be prostrated in consequence of these diseases, to give it a fair trial according to the *simple directions* and no physician will ever be needed in the above mentioned complaints during the small package often relieving many sufferers.

TO MASTERS OF SHIPS.—To those who do business on the great waters," it will especially be found invaluable, and no Shipmaster should fail to take it on leaving port, as it was on the item more especially in time of storm and strife" of the elements, its virtues were first more thoroughly made known and abundantly tested by a Ship Surgeon, and that too, while in the Gulf of Mexico, where it is usually more fatal and rapid in its effects than in more temperate climates. The motion of the ship also, from its observation, allowed the early developing of its symptoms, and before taming the best well known remedy failed to relieve the patient, in the above diseases.
☞ Travellers will find, from the compact form in which the powders are put up, that they can be carried in the pocket, or with their wardrobe, without the slightest injury. When required, are taken in cold water. The proprietor, or Country Merchant, should be without this valuable selected remedy, as many opportunities present themselves in the course of the summer, where speedy and certain relief is required by their patrons.

TESTIMONIALS.

An examination of the following testimonials is earnestly invited: they do not purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the most influential and well known citizens residing in our midst, who can be found and will personally testify to the effectiveness of the Tropical Dysentery Remedy.

SIR—Your remedy I do not hesitate to say, from my own experience and that of my family, is the best I have ever used. Of all medicines for Bowel Complaints, (especially of children,) I have ever known. And the success which has attended its exhibition in private practice, I am free to testify to, from my own personal experience, and regret as many others have to my knowledge, that you had not earlier made the public acquainted with it, as many a life might thereby have been saved by it.
Respectfully yours,
RUFUS CLAGETT,
Attorney and Counsellor at Law,
No. 16 Wall street

GREEN POINT, Westchester Co., N. Y., April 6, 1863.

HONORED FRIEND:—I take pleasure in testifying to the very beneficial effects of your medicine in my family.
A severe attack occurred during the summer of 1862, by which the patient was reduced very low, and although the most well known remedies were promptly administered, continued to grow worse; but who was completely cured and restored to health by the use of your remedy prepared for that complaint.
Subsequently an infant child was attacked with summer Complaint during the summer months, which run its course unabated, despite all medicines used by our physicians, for six or eight weeks. There seemed no hope of recovery until your remedy was received and administered, when an improvement was immediately noticed, and a permanent cure was effected.
Very truly yours
RICHARD D. FALCOTT.

BROOKLYN, Sept. 1863.

While confined to my bed in consequence of a very severe attack of Dysentery, a friend administered a few doses of your Remedy. The relief was immediate. I advise all my friends not to be without it; and I know while I have it, with the directions, a Physician need never be called in that usually troublesome and often fatal disease.
Respectfully yours,
JACOB KOREH-1808,
126 Scott street, Brooklyn.

BROOKLYN, July 1863.

DEAR SIR—I was taken with a severe attack of Dysentery, and could get no relief from the best advice I could obtain, until accidentally I heard of your remedy. I took it and obtained immediate relief, rode out on the Island, and through my own imprudence in diet, brought on a severe relapse, while I was in the full practice of medicine, and I am happy to add, was permanently cured.
JOHN WILSON,
Fireman on the East Myrtle Ave.

EAST BROOKLYN, L. I., June 1863.

DEAR SIR—The effects of your medicine and mode of treatment in Dysentery, Diarrhœa, etc., I have witnessed with pleasure and satisfaction in my own family. The relief was prompt, decided, and effectual in a few hours; and I am happy to acknowledge, that in my humble opinion, if your medicine is administered, and the directions followed, that the world is indebted to you in this instance, in a degree hardly fatal in the hands of many able physicians. It is equally as efficacious as prompt to relieve the afflicted, as well as mild. May God bless you for the benefit he has conferred upon me without a fee.
Respectfully yours,
JOHN LEY WOOD.

DEAR SIR—I have sold a large number of your bottles of your remedy, therein, purchasing from the hands of a friend, a short time previous to your sailing for Australia, absolutely performed wonders; curing many of my friends as well as several members of my family, who were attacked at different times in the course of the Summer with Dysentery, Diarrhœa, etc. I can, and do most cheerfully state, for the benefit of those who may be similarly afflicted, that it augurs me in the certainty of relief, that my medicine I have ever known performed in an hour.
Yours truly,
CLARKSON UNDERHILL,
Corner Bedford and Park Avenues,
Brooklyn, L. I.

NEW YORK, May 17, 1863.

SIR—The Dr. Home called me "Tropical Dysentery Remedy," as I had the discoverer, who was for six months Physician to Tammany Hotel, I know to be all that is above enumerated, which were numerous in our house in 1853, from the number of Californians stopping with us, it in every instance at once relieved, to the satisfaction of ourselves and those afflicted, saving many lives.

BILL IN THE CIRCUIT COURT FOR BALTIMORE CITY, NOVEMBER TERM, 1864.
George Nelson, George C. Penniman and Harriet Penniman his wife, Edward Lee Oyster, Frank F. Ogston, Emily Mills Ogston and Alice Ogston. The object of this suit is to procure a decree for the sale of certain property lying in the city of Baltimore, which, amongst other things, on the 22d day of April, 1852, conveyed to the complainant George Nelson, trustee, to indemnify the complainants therein named against their liability as endorsers for the accommodation of Harriet Penniman his wife, in case of loss or damage to them by reason of a mortgage of their property to secure a loan made by George W. Ogston from the Savings Bank of Baltimore. The bill states that by an antenuptial settlement executed between George C. Penniman and Harriet his wife, dated the 15th day of July, 1841, the said George Nelson was constituted a trustee for the said Harriet, to secure to her certain interests provided for by said deed, and to carry out the provisions thereof, that the complainants at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan at the said Savings Bank on the day aforesaid, executed to the said George Nelson a deed of trust of even date with the said mortgage and bearing even date therewith, conveying to the said George Nelson, trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land in the city of Baltimore, to wit: lot or parcel of ground situate on the north side of Salisbury alley and Exeter street; also all the southwest corner of Market and Second streets; also all that lot on the northeast corner of Mulberry and Park streets; also conveyed by Jno. B. Smith to John Ogston, by deed dated Dec. 7th, 1835; also on the east side of Jones' Falls, and fronting on Jones' Falls Avenue, a lot on Baltimore street, east of St. Paul street; also a lot on Pitt street to have and to hold to the said George Nelson and his heirs to recover the rents, issues and profits thereof, in trust as aforesaid, to George C. Penniman, upon the request of the said George W. Ogston; and it is further set forth that, should default be made by the said George W. Ogston in the payment of the said interest or principal of the said loan to the Savings Bank, so that the said George C. Penniman be compelled to pay the same or any part thereof, that the said Nelson shall apply the balance of said rents and profits towards the indemnity of the said Penniman, with power to the said trustee to sell out any or all of the said lots for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 23d day of November, 1854, leaving the defendants, his widow and children, him surviving, residents of Hunterdon, New Jersey. That the said George W. Ogston, during his life, nor has any person since his death, paid any part of the interest or principal of the said mortgage debt nor did the said George Nelson, as trustee, collect the said rents and profits, nor did he pay to the said George C. Penniman the said sum of $200 per annum from the 6th day of April, 1852, to the present time, with interest, is still due to the said George C. Penniman.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be reimbursed out of the said property so conveyed for his indemnity.
That the said Savings Bank proceeded to sell the said property, by which proceedings the said property so conveyed for the said indemnity has become liable to be sold and ought to be sold to indemnify the plaintiff in premises.

BILL IN THE CIRCUIT COURT FOR BALTIMORE CITY, NOVEMBER TERM, 1864.
George Nelson, George C. Penniman and Harriet Penniman his wife, Edward Lee Oyster, Frank F. Ogston, Emily Mills Ogston and Alice Ogston. The object of this suit is to procure a decree for the sale of certain property lying in the city of Baltimore, which, amongst other things, on the 22d day of April, 1852, conveyed to the complainant George Nelson, trustee, to indemnify the complainants therein named against their liability as endorsers for the accommodation of Harriet Penniman his wife, in case of loss or damage to them by reason of a mortgage of their property to secure a loan made by George W. Ogston from the Savings Bank of Baltimore. The bill states that by an antenuptial settlement executed between George C. Penniman and Harriet his wife, dated the 15th day of July, 1841, the said George Nelson was constituted a trustee for the said Harriet, to secure to her certain interests provided for by said deed, and to carry out the provisions thereof, that the complainants at the request of the said George W. Ogston and for the purpose of enabling him to effect a loan at the said Savings Bank on the day aforesaid, executed to the said George Nelson a deed of trust of even date with the said mortgage and bearing even date therewith, conveying to the said George Nelson, trustee, as aforesaid, all his right and interest in and to the following lots and parcels of land in the city of Baltimore, to wit: lot or parcel of ground situate on the north side of Salisbury alley and Exeter streets; also all the southwest corner of Market and Second streets; also all that lot on the northeast corner of Mulberry and Park streets; also conveyed by Jno. Penniman, upon the request of the said George W. Ogston; and it is further set forth that, should default be made by the said George W. Ogston in the payment of the said interest or principal of the said loan to the Savings Bank, so that the said George C. Penniman be compelled to pay the same or any part thereof, that the said Nelson shall apply the balance of said rents and profits towards the indemnity of the said Penniman, with power to the said trustee to sell out any or all of the said lots for the purpose of making such indemnification. The bill further states that the said George W. Ogston died on the 23d day of November, 1854, leaving the defendants, his widow and children, him surviving, residents of Hunterdon, New Jersey. That the said George W. Ogston, during his life, nor has any person since his death, paid any part of the interest or principal of the said mortgage debt nor did the said George Nelson, as trustee, collect the said rents and profits, nor did he pay to the said George C. Penniman the said sum of $200 per annum from the 6th day of April, 1852, to the present time, with interest, is still due to the said George C. Penniman.
That the said Penniman did pay a part both of the principal and interest of the said mortgage debt to the said Savings Bank, for which he is entitled to be reimbursed out of the said property so conveyed for his indemnity.
