THE BALTIMORE
WEEKLY CLIPPER,
THE CHEAPEST NEWSPAPER
IN THE STATE.
The undersigned would call the attention of all desirous of having a good Weekly Journal to the
BALTIMORE WEEKLY CLIPPER,
one of the largest and cheapest Papers published in this or any other State.
At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so.
CHEAPNESS,
when everything else almost has advanced in price more than one hundred per cent., is also a great requisite; and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the
WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.
Let those who need such a paper, remember that for this comparatively small amount, they are furnished
THIRTY-TWO COLUMNS
of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.
To accomplish the enterprize, however, and to do the undersigned and his subscribers full justice, he must have
PROMPT PAY;
and therefore no paper will be sent from the office but what is
PAID FOR IN ADVANCE,
and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. Without the adoption, rigidly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprize; and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the State.
Let the friends of the paper in the country, recollect also that a
WEEKLY "PRICE CURRENT,"
accurate and reliable, will be among the matters furnished, something which alone would justify them in investing the small amount required for one year.
The aim of the new Proprietor is to furnish a First rate
FAMILY AND BUSINESS PAPER,
embracing whatever may be interesting, amusing and instructive: and he hopes, therefore, that the subscription list of the Weekly Clipper will not fall behind any.
Subscriptions must be remitted in
UNITED STATES NOTES.
Postmasters and others sending ten subscriptions, will be furnished one copy gratis.
WM. WALES,

MEDICAL.

ARMY DYSENTERY.
THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED IN THE POCKET-BOOK
AND AS A TIMELY RE-
SOURCE IN DISEASE IS
UNEQUALLED.
No Officer or Soldier should go to the front to encounter the dangers of Miasma and an unwholesome water without a package or two of these powders. They are put up in air-tight metallic coverings, occupy little space, and can be taken in a tumbler of water. The prescription has been proved of the highest efficacy on the Chagres route, in Mexico, Central America, and elsewhere, the want of these outstanding "trial" diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a specific, when tried on the most delicate child or the adult, when the printed directions accompanying it are faithfully followed. It is known as
DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA,
(either recent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Cholic. Put up in small air-tight Packages, which will keep in all climates for any length of time.
TO THE PUBLIC
This efficacious, scientific, and curative preparation is now for the first time, at the urgent solicitation of many personal friends who have experience its good effects in private practice, consultedly offered to the public, after having been the means of curing within the last seven years, at least 5,000 cases of these citizens in California, many of them on crowded passenger ships and steamships, of which the discoverer was surgeon, tossed about by the Ocean's swell, which is one cause of the great fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California, also in several parts of South America Central America, and Mexico, and many parts of the world, by one of the proprietors who travelled on account of his health, who finds much impaired by his campaign in the American army in Mexico.
It is well known that the terrible scourge Dysentery, sweeps into hurriedly made graves many thousands annually, and that it is not confined in its ravages to any part of our globe, but ranges at large remorselessly, cutting down, in spite of the best medical aid called to relieve it, the tender infant as well as the aged and trembling adult in all variations of climate.
In view of these facts, and the utter failure of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who has only survived from the effects of the Camp Diarrhœa, Army Diarrhœa, and who had previously, as well as since, unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of the "Tropical Dysentery Remedy," which after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.
With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can be known, as those relieved by it for the last seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, from the hardy mariner to the energetic traveller, as well as soldier, many of whom, as is well known, barely survived to reach their homes at the close of the war with Mexico, with himself, but who have been gratefully astonished at its effects under his administration by him.
Throwing aside all "wire-drawn whims and fables," and the ANTIQUATED TAMPERINGS which has always prevailed in regard to these fatal diseases, the proprietors in conclusion would charge those who would not save their loved ones, when prostrated in consequence of these diseases, to give it a trial according to the printed directions and no physician will ever be needed in those above named dangerous diseases; one small package often relieving many sufferers.
TO MASTERS OF SHIPS.—To those who "do business on the great waters," it will especially be found invaluable, and no Shipmaster should fail to take it on a leaving port, it was one the reasons especially, "mid storm and strife" of the elements, its virtues were first more thoroughly made known and abundantly tested by a Ship Surgeon, and that too, while in the West Indies, where it is usually more fatal and rapid in its course than in more temperate climates. The motion of the ship also, from his observations always aggravating these symptoms, and therefore taking the best well known efforts to relieve the patient, in the above diseases.
☞ Travellers will find, from the compact form in which the powders are put up, that they can be carried in the pocket, or with their wardrobe, without the slightest injury. When required, are taken in cold water. No hotel proprietor, or Country Merchant, should be without this justly celebrated remedy, as many cases will present themselves in the course of the summer where speedy and certain relief is required by their patrons.

TESTIMONIALS.
An examination of the following testimonials is earnestly invited: they do not purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the most influential and well known citizens residing in our midst. They can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy.
SIR—Your remedy I do not hesitate to say, from my own experience and that of my family, surpasses in its curative effects, all medicines I ever knew. Complaints, (especially of children,) I have ever known, and of the success which has attended its exhibition in private practice, I cheerfully testify to, from my own personal experience, and regretas many others have to my knowledge, that you had not earlier made the public acquainted with it as I have often urged you many valuable lives thereby might thereby have been saved by it.
Respectfully yours,
HUGH CLAGETT,
Attorney and Counsellor at Law,
No. 16 Wall street.

CROTON POINT, Westchester Co., N. Y.,
April 6, 1865.
ESTEEMED FRIEND—I take pleasure in certifying to the very beneficial effects of your medicine in my family.
A case of dysentery occurred during the summer of 1862, by which the patient was reduced very low, and although the usual well known remedies were promptly administered, continued to grow worse; but who was completely and effectually restored by the use of your remedy prepared for that complaint.
Subsequently an infant child was attacked with summer complaint during the hot months, which ran its course to a fatal result, spite all medicines used by our physicians, for six or eight weeks. There seemed no hope of recovery until your remedy was received and administered, when an improvement was immediately noticed, and a permanent cure was effected.
Very truly yours,
RICHARD D. TALCOTT.

BROOKLYN, Sept. 1863.
While confined to my bed in consequence of a very severe attack of Dysentery, a friend administered a dose or two of your Remedy. The relief was immediate. I advise all my friends not to be without it; and I know while I have it, with the directions, a Physician need never be called in this usually troublesome and often fatal disease.
Respectfully yours,
JAMES ROBERTSON,
125 Court street, Brooklyn.

BROOKLYN, July 1863.
DEAR SIR—I was taken with a severe attack of Dysentery, and could get no relief from the best advice I could obtain, until accidentally I heard of your medicine. I took it and obtained immediate relief; rode out on the island, and through my own imprudence in diet, brought on a severe relapse, which was again relieved by the remedy, and I am happy to add, was permanently cured.
JOHN WILSON,
Skillman st., near Myrtle Ave.

EAST BROOKLYN, L. I., June 1862.
DEAR SIR—The effects of your medicine and mode of treatment in Dysentery, Diarrhœa, &c., I have witnessed with pleasure and astonishment in many cases. The relief was prompt, decided, and effectual in a few hours; and I am happy to acknowledge, that in my humble opinion, if your medicine be administered, directions strictly followed, a cure would be effected in every instance, in a disease usually fatal in the hands of many able physicians. It is equally safe and as promptly relieves the infant, as well as adult. We would not be without it.
Respectfully yours,
JOHN JAY WOOD.

DEAR SIR—The small package of your "Tropical Dysentery Remedy," placed by you in the hands of a friend, a short time previous to your sailing for Australia, absolutely performed wonders; curing many of my friends as well as myself, three of my family, who were attacked at different times in the course of the Summer with Dysentery, Diarrhœa, etc. I can, and do most cheerfully state, for the benefit of those who may be similarly afflicted, that it surpasses in its certainty of relief, any medicine I have ever known prescribed by medical men.
Yours truly,
CLARKSON UNDERHILL,
Corner Bedford and Park Avenues,
Brooklyn, L. I.

NEW YORK, May 17, 1865.
SIR—The medicine called the "Tropical Dysentery Remedy," as used by the undersigned, who was for six months Physician to Tammany Hotel, I know to be all that is above enumerated, which were numerous in our house in 1859, from the number of Californians stopping with us. It in every instance relieved to the satisfaction of ourselves and those afflicted, saving many lives.

MISCELLANEOUS.

NOTICE TO CONSUMERS OF HYDRANT WATER.—The law inflicts a fine of from five to ten dollars on all persons who may sacrifice their Hydrants or water fixtures to waste, as it subjects our citizens to inconvenience and danger by the accumulation of ice on the footways and crossings of the streets. It will save trouble and expense by turning off during the cold weather all out-door fixtures liable to freeze.
The law will be rigidly enforced

THE PEACE COMMISSION.
Said Abe to Jeff, "Let's have a talk,
And try to stop this strife,
By which the country's lost so much
In treasure and in life;
I think that we should now agree
To end war's savage reign,
And bring back Peace and Liberty
To our bleeding land again!"

Then, answered Jeff, "it pleases me
To hear you talking so,
And if I only knew the way
I'd glory stop this woe;
But Abraham I cannot see
The path I should pursue,
And if you'll point it out to me
I'll be obliged to you."

"You're only to lay down your arms,
And set your negroes free—
Return to your allegiance,
And forgiven you shall be"
"I'm sure that you are very kind,
But I don't quite like the 'Negro,'
For our people, all, are much opposed
To setting free the nigger."

"That's nonsense, Jefferson, my boy,
For Slavery, you know,
Must soon die out already—
It's received a mortal blow"—
"Well, well, if Slavery must die
For freedom still we fight
We've not set in dependence,
And want nothing but what's right."

"What stuff! 'your independence!'
Who robbed you of it, pray?
As a portion of the Union
If you're torn, still you may
Be "free and independent"
As the Union ever must be
And as brothers will enforce the right
On land and on the sea!"

"You've burned our towns," says Jefferson,
Such talk, pray you give o'er
Remember Chambersburg in flames—
"The Valley's fair no more,
For Sidney, Hunter, Sheridan
A desert drear have made
Of Virginia's lovely Valley
And its homes in ruin laid!"

"Enough! enough" said Abram,
"I have no more to say,
If you seek to kindle up old fires
I'll try another way!"
The combats thus were ended,
And the meeting was in vain
And the work of blood and slaughter
Was quick resumed again.

But Abe had not forgotten
That promise he had made
To make another effort
(And now none will be afraid
For both sides are very fighting,
And they wish the war to cease
And will hail with joy the tidings
Of an honorable Peace!)

So a meeting of the Cabinet
Is hastily did call—
And a messenger was soon dispatched
To the famous MARBLE HALL,
And Smith was quickly summoned
To the meeting to attend—
And his good advice being taken
The war will quickly end.

Now Smith is our Commissioner—
To Richmond soon he goes,
To win back the Southern people
And make friends once more of foes,
And to reconcile the rebels
To the loss of all their slaves;
They'll be rescued from starvation
And from dark and bloody graves.

And to satisfy Jeff Davis,
He'll take to him when he goes
A present of a splendid suit
Of the FASHIONABLE CLOTHES.
And Jeff bet too much judgment
To act so like a bore,
As not to appreciate the styles
They get up at SMITH'S Store.

And North and South shall live at peace,
And plenty shall return,
To bless the land and dry the tears
Of those who sadly mourn—
Our uniforms away we'll throw
And good clothes wear once more,
For we'll buy all of WM. H. SMITH & BRO.
At SMITH BROS. Mammoth Store.

At the above named place you can find the best selection of Men and Boys' CLOTHING, together with a splendid stock of Piece Goods for Custom Work. d6-1m
