It joint resolution now under consideration by care the constitutional majority of two implems world. thirds, it received a majority of thirty more than those who roted as since it. Thus, the duty of Congress was rendered pials, as the question was well understood by the people. Mr. Ashley gave notice that he would ask

or Tuesday. The House then adjourned till Monday. HORRIBLE TREATMENT OF UNION SOLDIERS.

Among all the dark and desperate deeds | floated a large national flag, with the inof the mad and vindictive leaders of the cription, "Welcome to Admiral Farrapresent diabolical rebellion, none will com- | gut." At another point there was also pare in satanic fiendishness with the inhuman treatment inflicted upon the prisoners ["Gaines," and "Morgan," prominently falling into their hands. The evidence displayed, and at the entrance to the resist escord in crossing the river, with boothile Hun. Judge Giles. The following business has been collected from a thousand different | dence of an artist citizen were the words detection 720 steamboat will hereafter ply cocupied the attention of this Court on Batsources in such a clear and overwhelming manner as to forever place beyond the shadow of doubt, the facts in this respect That thousands of our poor soldiers who were engaged in the noblest cause that i ever animated the human heart, have been wickedly, malicionaly, and deliberately starved to death, there no longer remains the

gallant but unfortunate soldiers has been sanctioned and heartily approved of by the leading rebel authorities, there is abundant proof. When we remember the fact ! that the neurper. Davis, himse f, once deliberately declared in a public speech in Richmond that "between the Yankee and the hyens, he preferred the hyens," we l can readily conceive with what delight and satisfaction be has regarded the savago and brutal mancer by which brave. and heroic men are thus deprived of their lives. The story of black inhumanity coming up from the prisons where our soldiers are incarcerated, has no parallel in all the annals of human warfare. The atrocious deeds sometimes perpetrated by the untamed savages on our cheers for the gallant Admiral, and three eignificance, when properly compared with leng to be remembered .- Now York Times, the company, and an offer to dispuse of the Western frontier seem to dwindle into inthere acts. The red warrior of the forest. nu his acts of barbarity may plead in extenuation a want of knowledge as to the usages of civilized life. but these desperadoes who have thus wreaked their vengeance upon defenceless and unarme prisoners have uniformly set up a claim t superior breeding and manhood. Such acts of cruelty, however, cannot long go without a visitation of severe and relentless punishment. We think th hour is rapidly approaching when the per-

petrators of these foliuman crimes musi reap the same reward which has inevited bly overtaken all outrages ever bordering on such wickedness in all other countries and in all past time .-- N. Carolina Times. More Desertions From The Exe

MT .- The recent successes of Sherman and Thomas, says a letter from Grant's army, have had a very depressing effect upon the minds of the rebel soldiers, and an unusually large number have deserted to our lines within the past few days. On the night of the 2-th eighteen succeeded girs. and the owner of a tract of land in in crossing, the night being very dark and Greenwitch, Conn., has discovered up in it Savannah, and when this was no longer precious metal is valued at over \$600. to convince the soldiers that its loss was rather beneficial to the rebel cause than otherwise.
