Ma. Wa. H. READ: Dear Bir-I with to faform you by this writing that I have been suffering with Affilms in the rorst form for 90 years, spending within that time handreds of sloopless nights in the most suffering manner. Everything failed to give to Mot until I obtained a box of HASHERSH CAN-DY, which proved the most wonderful derailed agency I ever used, relieving me immediately whenever attacked by the disease. Often I have been so severely attacked that I could with great difficulty breethe at all and was incapable of lying down at hight, having such terrible smoth ring pensations. Medical men of all schools billed to afford the least relief. Without much

kope I resorted to this wonderful Candy in Jan-

nary, less, ever since which time I have slept

ver threatened by an attack, and am thanking

that such a remedy is to be found. I recommend

The Directors of the California Petraleum venturs, in Santa Barbara County, Californis, and on which are at present at least twenty NATURAL OIL WELLB of the large est size. The Report of Professor Silliman shows that this is the MOST VALUABLE OIL PROPERTY EVER PUT ON THIS In the summer of 1864, Professor Silliman BUTTER, CHEESE, LARD, ORAIN examined the locality, and in a letter, dated

July 2, 1864, he thus communicates the resalts of his observations upon the Ojal ranch, the purchase of which he strongly re-"The property covers an area of 15,900 (eighteen thousand) acres in one body, or which are at present at least twenty natural oil-wells, some of them of the largest size. The cil is struggiling to the surface of every available point, and is tunning away down the rivers for miles and miles. Artesian wells will be fruitful along a double line of thirteen miles, say for at least twenty-2v miles in linear extent. The rinch is an eld Fpanish grant, of four leagues of land, late-Is conurmed, and of parfect title. It has, t of the fixestland, watered by four rivers, as

The fellowing extract from the report of ProL Billiman, herewith opponded, fully confirms his first impressions, and presents more complete details of the wonderful resources of this property. According to his advice, and that of other competent judges in Calibraia, arrangements were made to purchase the estate by parties in New York, in October, 1864. But before effecting this, it was deemed expedient to obtain from Professor Billiman a decided statement that the Oil was, in his opinion, fally agent to that of Oil Creek, Perasylvania; and from able comisel is S n Francisco a professional opinion as to the valleity of the title. Instructions were accordingly sent to close the purchase, provided the Oil was prepouted by Frof. Silliman equal to the best Pennsylvania uil, and the title perfect. Prof. Sillimen telegraphed confirming his letter above quoted, and, the title being proncunced by counsel undoubted, the property was purchased

No. I is a well 30 feat in diameter, full of tarry oil, boiling with the escape of march gar. It is situated in the midst of a gentle slope, forming part of a terrace or plais, elevated at least 1,000 feet shove the sea. This pirin, which is about one and a quester miles long by three-burths of a mile wide, appears to have been formed by the long accumulation of asphaltum, from the erapgration of the overflow of this great oil-spring The depth of this great mass of asphaltum is, of course, a matter of conjecture, as no explorations have been made upon it; but it is probably safe tions, prepared and effered by Adward Otis | yard in depth, which would give ever three million cubic yards of fuel, from which a good cake | every style and price. is readily prepared, or which is even capable, by distillation, of yielding a large return of oil.-Over this area there are several minor points of tarry outflow, but we consider the whole as one great off-spring.
