THE BALTIMORE WEEKLY CLIPPER,
AND
THE CHEAPEST NEWSPAPER IN THE STATE.
The undersigned would call the attention of all desirous of having a good Weekly Journal to the
BALTIMORE WEEKLY CLIPPER,
one of the largest and cheapest Papers published in this or any other State.
At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so
CHEAPNESS,
when everything else almost has advanced in price more than one hundred per cent., is also a great requisite, and as it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the
WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.
Let those who need such a paper, remember that for this comparatively small amount, they are furnished
THIRTY-TWO COLUMNS
of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.
To accomplish the enterprize, however, and to do the undersigned and his subscribers full justice, he must have
PROMPT PAY!
and therefore no paper will be sent from the office but what is
PAID FOR IN ADVANCE.
and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. Without the adoption, rigidly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprize; and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the State
Let the friends of the paper in the country, recollect also that a
WEEKLY "PRICE CURRENT,"
accurate and reliable, will be amongst the matters furnished, something which alone would justify them in investing the small amount required for one year.
The aim of the new Proprietor is to furnish a First rate
FAMILY AND BUSINESS PAPER,
embracing whatever may be *interesting, amusing* and *instructive*: and he hopes, therefore, that the subscription list of the *Weekly Clipper* will not fall behind any.
Subscriptions must be remitted in
UNITED STATES NOTES.
Postmasters and others sending ten subscriptions, will be furnished one copy gratis.

MEDICAL.

ARMY DYSENTERY.
THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED IN THE POCKET-BOOK AND AS A TIMELY RESOURCE IN DISEASE IS UNEQUALLED.
No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of this powerful preventive, occupy little space, and can be taken in a tumbler of water—The prescription has been proved of the highest efficacy on the Chickahominy route, in Maryland battle-fields, and elsewhere, the chief haunt of these oftentimes fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience in the Army of the Potomac and Peninsula, during the worst cases of Camp fever and dysentery to deal with, and it can be relied on by all as a specific, when tried on the most delicate child or the adult where the printed directions accompanying it are faithfully followed. It is known as
DR. F. J. AGRIMONY'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA,
(either recent or chronic). Cholera, Cholera Infantum or Looseness of the Bowels, Summer Complaint of Children, and Bilious Cholic. Put up in small air tight Packages, which will keep in all climates for any length of time.
TO THE PUBLIC
This effective, scientific, and curative preparation, whose for the first time, at the urgent solicitation of many persons and friends who have experienced its good effects in private practice, consents for the present to offer it to the public, after having been the means of curing within the last seven years, at least 8,000 cases of these often fatal disorders, many of them in crowded passenger ships and steamships, of which the Governor, Surgeon, Consul about to the Ocean's swell, which is one cause of the great fatality attending these direful complaints, if not remedied in a few hours; and I am happy to acknowledge that to my humble opinion, if ever medicine is administered, and directions followed, it is in this case, which will be effected in every instance. In a disease usually fatal to the hands of many able physicians. It is equally safe and as promptly relieves in cold weather as well as adult. We would also be without it.
Respectfully yours,
JOHN JAY WOOD.

DEAR SIR: The small package of your Tropical Dysentery Remedy, purchased by you in the hands of a friend, a short time previous to your sailing for Australia, has completely performed what I certainly many of my friends as well as myself and entire family, who were also attacked at different times during the course of the Summer with Dysentery, Diarrhœa, etc. I can, and do most cheerfully state, for the benefit of those who may be similarly afflicted, that for any person in its certainty of relief, any medicine I have ever known prescribed by medical men.
Yours truly,

COUGH SYRUP.
COUGH SYRUP.
W. H. READ'S COUGH SYRUP OF LIVERWORT, for the cure of Coughs, Colds, Asthma, Hoarseness, Bronchitis and Influenza.
This Syrup is one of the most certain and safe remedies ever known for the diseases for which it is recommended, and many who have given it a fair and impartial trial. There is no class of disease that is so neglected than those which originate from a cough, and surely there is no more dangerous symptom of decay in health. Many a consumptive's life has been cut short by neglecting a cough, which, if attended to in time, would have been easily cured, and many would have buried its victim into the premature grave of the consumptive, but we know that we are not alone in the truth when we say that in the majority of cases of consumption, could have warded off that dreadful handmaid of death. Consumption—for many know who to ask for the meaning by the name—is the result of neglecting bronchial affections. He cannot lay too much stress upon the 3d day of June, 1863, which now rapidly approaches, and remember, that a little care exhibited upon some good Cough Remedy may preserve your life.
Certificates from the most reliable sources can be had in the pamphlet which will be furnished with the value of this truly valuable remedy:
From REV. JAS. H. BROWN, Member of East Baltimore Conference.
This certifies that I have used W. H. Read's Cough Pectoral Syrup with the most happy effect, and recommend it as a most valuable medicine.
JAS. H. BROWN.

From REV. ANDREW WANSHIP, Member of Philadelphia Conference.
W. H. READ—Dear Sir—I have used your Syrup of Liverwort in cases of great service to my throat, and relieved me of a hearty cold. I can recommend it to clergymen and public speakers.
ANDREW WANSHIP.

From REV. WM. W. HICKS, late Missionary from India.
Mr. Wm. H. Read, Sir:
I cheerfully recommend your Syrup to all persons afflicted with Coughs or Hoarseness, as a certain cure.
The Compound Syrup of Liverwort may truly be called the sufferer's friend.
Wm. W. HICKS.

We have many more certificates than we can publish, all speaking in the most emphatic terms of great value of this medicine, and in every case recommending it to their friends. Among them may be found
