THE PEARS OF THE PEOPLE NOT MUCH LOSGER TO BE APPEALED TO IN ELEVATING THE PRICE OF

GOLD. The fall in the price of gold is but the Government in putting down the rebellion, whatever speculators upon the wants ! of the people may affirm to the contrary. Christian Watchman. Had these tumbles in gold occurred upon . but one or two occasions when great successed were won, there might be reason to suppose that victories had little or nothing to do with it. But when we know that the same law has ever applied in such cases, the thing is conclusive; and i plain that when the armies of the republic are carrying all before them, speculators upon the fears of the people-upt stand from under.

Perhaps the strongest case on record in this regard, occurred in the history of can be done, and what is awallowed in the France, and in the wars of the elder Napo- meantime in the way of food, is a hin- world, and from which it never returns, teon. Worried by the gold speculators of drance and not a good. the Paris Bourse who would depreciate ! the Government securities, on one occasion he entered the market against them get well until the fever subsides; but with thirty millions of france in gold .-The account is that it was exhausted in three days; and utterly failing in his en- in a kind of desperation, steps in and deavors, he said to his Finance Minister takes away the appetite, the commonest -"it is not here that I can regulate the cold would be followed by very serious; finances—it is with the army;" and taking | ways fatal. his departure forthwith, a great victory or two restored public confidence, and waiting forty-eight hours gives time for

brought Government securities to par. Now in our own case, especially, the intelligent and would reflect. To those to do its work before anything at all is well acquainted with the immense re- done. sources of the Government and people, who are aware of the vast wealth easily and rapidly developed in a single year of peace, additional to that already accumulated and made the basis of taxation, what unhappily, a rust number of the people fears in times like the present, and with ralgia, dyspepsia and piles. a set of speculators always on hand to take advantage of any changes that occur. things fluctuate, that depend for their es-

TABURKAU CANDY. MASHKESH CANDY. Ma. WE. H. BRAD:

Dear Sir-I wish to inferm you by this writing that I have been suffering with Asthma in its weest form for 30 years, spending within that time handreds of stoopsess nights in the most reforing manner. Everything failed to give retiof until I obtained a hex of HARHEESH CAN IT, which proved the most wonderful curative agency I ever used, relieving me immediately sheneves attacked by the disease. Often I have been so severely attacked that I could with gree difficulty breathe at all and was incapable o lying down at night, having such terrible smoth eriag peasations. Medical men of all schools tailed to afford the local relief. Without much hope I resorted to this wonderful Candy in Janmary, 1864, ever since which time I have also without the least trouble by using some whenever threatened by an attack, and am thankful

that such a remedy is to be lound. I recommend it to all afflicted by Asthma, Rose Cold, Hay Fe-TOT, OF diseases of that class. OHN R.
