FREIGHT NOTICE.
PHILADELPHIA, WILMINGTON AND BALTIMORE RAIL-ROAD COMPANY.

Owing to the unprecedented accumulation of Freight in Philadelphia, and there are now nearly two cars in the Baltimore Depot, that cannot be unloaded for want of room, thereby detaining the cars and the goods, it is deemed absolutely necessary for the Company to employ a force of Drays to deliver the freight from such portion of consignees as fast as it can be unloaded. Parties will therefore please give receipts to the drays and pay the drayage. The drays of all large consignees will be employed if sent to the depot.

As the arrangement is made purely to facilitate the receipt of goods during the close of navigation it is hoped that all parties will lend their aid to it.

THE
BALTIMORE
WEEKLY CLIPPER,
THE CHEAPEST NEWSPAPER
IN THE STATE.

The undersigned would call the attention of all desirous of having a good Weekly Journal to the

BALTIMORE WEEKLY CLIPPER,

one of the largest and cheapest Papers published in this or any other State.

At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so.

CHEAPNESS,

when everything else almost has advanced in price more than one hundred per cent., is also a great requisite; and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the

WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.

Let those who need such a paper, remember that for this comparatively small amount, they are furnished

THIRTY-TWO COLUMNS

of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.

To accomplish the enterprize, however, and to do the undersigned and his subscribers full justice, he must have

PROMPT PAY;

and therefore no paper will be sent from the Office but what is

PAID FOR IN ADVANCE,

and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. Without the adoption, rigidly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprize, and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the State.

Let the friends of the paper in the country, recollect also that a

WEEKLY "PRICE CURRENT,"

accurate and reliable, will be amongst the matters furnished, something which *alone* would justify them in investing the small amount required for one year.

The aim of the new Proprietor is to furnish a First rate

FAMILY AND BUSINESS PAPER,

embracing whatever may be *interesting, amusing* and *instructive*: and he hopes, therefore, that the subscription list of the *Weekly Clipper* will not fall behind any.

Subscriptions must be remitted in

UNITED STATES NOTES.

Postmasters and others sending ten subscriptions, will be furnished one copy gratis.

## MEDICAL.

ARMY DYSENTERY.

THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED in the POCKET-BOOK AND AS A TIMELY RESOURCE IN DISEASE IS UNEQUALLED.

No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in air-tight metallic coverings, occupy little space, and can be taken in the pocket or valise. The prescription has been proved of the highest efficacy on the Chagres route, in Mexico, Central America, and elsewhere, the blast of these ostentatious fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a *specific*, when tried on the most delicate child or the adult, where the printed directions accompanying it are faithfully followed. It is known as

DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA,

(either recent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, Bilious Colic. Each pill is small air-tight Packages, which will keep in all climates for any length of time.

TO THE PUBLIC

This efficacious, scientific, and curative preparation, is now for the first time, at the urgent solicitation of many persons and friends who have experienced its good effects in private practice, confidently offered to the public, after having been the means of curing within the last seven years, at least 8,000 cases of these often fatal diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, now based upon the following facts, which is one cause of the great fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia, as well as California, also in several parts of South America, Central America, and Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health, which he much impaired, by his campaign in the American army in Mexico.

It is well known that the terrible scourge Dysentery, sweeps into hurriedly made graves many thousands annually, and there it is not confined in its ravages to any part of our globe, but ranges at large remorselessly, cutting down, *in spite of the best medical aid* called to its relief, the tender and the well as the aged and trembling adult in all variations of climate.

In view of these facts, and the *utter failure* of the usual means used in many instances to relieve the affliction, the invention of a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the camp Distemper or Army Diarrhœa, and who had previously, as well as since, unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of the "Tropical Dysentery Remedy," which, after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.

With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can be told in the space allotted to it. During the seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, from this hardy mariner to the sewer cleaner, as well as soldier, many of whom, as is well known, barely survived to reach their homes at the close of the war with Mexico, with himself, but who have been gratefully acknowledged its effects under its administration by him.

Throwing aside all *"old wives' whims and fables,"* and the assertions, "Favorable to which has always prevailed in regard to these fatal diseases, the proprietors in conclusion would charge those who would not save their loved ones, when prostrated in consequence of these diseases, to give it a fair trial according to the *simple directions* and no physician will ever be needed in the above named dangerous diseases; one small package often relieving many sufferers.

TO MASTERS OF SHIPS.—To those who "do business on the great waters," and especially be found invaluable and no Shipmaster should fail to take it on leaving port, as it was on the sea more especially, "mid storm and strife" of the late war, that its virtues were first more thoroughly made known and abundantly tested by a Ship Surgeon, and that too, while in the West Indies, where it is tried and found equally beneficial as even in more temperate climates. The motion of the ship also, from his observation, always aggravating the symptoms, and therefore before the first symptoms appear to relieve the patient, in the above diseases

☞ Travellers will find, from the compact form in which the powders are put up, that they can be carried in the pocket or with the wardrobe, without the slightest injury. When required, are taken in cold water. No hotel proprietor, or Country Merchant, should be without this justly celebrated remedy, as strangers or persons find themselves in the course of the summer where speedy and certain relief is required by their patrons.

TESTIMONIALS.

An examination of the following testimonials is earnestly invited; they do not purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the most influential and well known citizens residing in our midst, who can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy.

DEAR SIR—Conscientiously I do not hesitate to say, from my own experience and that of my family, surpasses in its curative effects, all medicines for Bowel Complaints, (especially of children), I have ever known, and has performed wonders; curing many of my friends as well as several members of my family, who were attacked at different times in the course of the Summer with Dysentery, Diarrhœa, etc. I can, and do most cheerfully state, for the benefit of those who may be similarly afflicted, that it surpasses in its certainty of relief, any medicine I have ever known, prescribed by medical men.

Yours truly,
CLARKSON UNDERHILL,
Corner Bedford and Park Avenues,
Brooklyn, L. I.

NEW YORK, May 17, 1863.

SIR—The medicine called the "Tropical Dysentery Remedy," as used by the discoverer, who was for six months Physician to Tammany Hotel, I know to be all that is above enumerated, which were numerous cases in the year 1864, from the number of Californians stopping with us, it in every instance at once relieved, to the satisfaction of ourselves and those afflicted, saving many lives.

IN THE SUPERIOR COURT OF BALTIMORE, IN EQUITY.—Martha A. Hell vs Edward Bell.—The object of this suit is to procure a decree for a limited divorce a vinculo matrimonii from her husband the defendant. The bill of complaint states that in July, eighteen hundred and fifty-five, the parties were married as Baltimore city, where they both resided, and that they lived together as man and wife until some time in June, eighteen hundred and fifty-seven, since which time the defendant has not contributed anything to her support, and she has lived with and been supported by her parents. That the defendant has not resided in the city of Baltimore or State of Maryland for more than three years last past, and is not now a resident thereof; that in the month of June, eighteen hundred and fifty-seven, the defendant abandoned your complainant, and that such abandonment was continued uninterruptedly for more than three years, and is deliberate and final and beyond reasonable expectation of reconciliation.

It is thereupon this 24th day of January, 1865, adjudged, ordered and decreed that the complainant by causing a copy of this order to be inserted in some newspaper published in the city of Baltimore, once in each of four successive weeks before the 20th day of February, 1865 give notice to the said absent defendant of the substance and objects of this bill, and warn him to appear in this Court in person or by solicitor, on or before the 20th day of May, 1865, to answer the premises and to show cause, if any, he has, why a decree ought not to be as prayed.

## MEDICAL.

COUGH SYRUP.

COUGH SYRUP.
COUGH SYRUP.

W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs, Colds, Croup, Hoarseness, Bronchitis and Incipient Consumption.

This SYRUP is one of the most certain and effectual cures now in use, as has been proved by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely undermines health. Many a neglected Cough or Cold, by carelessness or those means of suffering; and many a Cold that has been permitted to run its course, has hurried its victim into the premature grave of the Consumptive. Let it be known that we in better the truth when we say that a very little care and attention at first would have warded off that dreadful handmaid of death—Consumption—from many a one who is now in the grave. It is therefore earnestly hoped that when you now neglect that Cough or Cold upon which you now look so lightly, and remember that a little expended upon some good Cough Remedy may free you from it.

Certificates from the following gentlemen cannot fail to impress the public with the value of this truly valuable remedy:

From REV. JAS. H. BROWN, Member of East Baltimore Conference.

This certifies that I have used W. H. Read's Cough Festeral Syrup with the most happy effects, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.

WM. H. READ—Dear Sir—I have used your Syrup of Liverwort; it was of great service to my throat, and relieved me of a heavy cold. I can recommend it to clergymen and public speakers.

ANDREW MANSHIP.

From REV. WM. W. HICKS, late Missionary from India.

*Mr. Wm. H. Read, Sir:*

I cheerfully recommend your Syrup to all persons afflicted with Coughs or Hoarseness, as a certain cure.

The Compound Syrup of Liverwort may truly be called the sufferer's friend.

NERVOUS DISEASES
CONQUERED AND CONQUERED.
DR. BRADSHAW'S INVIGORATING CORDIAL.
DR. BRADSHAW'S INVIGORATING CORDIAL.
DR. BRADSHAW'S INVIGORATING CORDIAL.

THE GREAT INVIGORANT,
THE GREAT NERVINE,
CURES, CURES, CURES,
*NERVOUSNESS AND WEAKNESS*

And all diseases arising from excesses and over-exertion whether physical or mental, the persons of feeble muscular frame, or deficient in vital power. It is recommended as the only means of communicating that energy to the whole system necessary to the enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or any age. The feeble gir, in the ailing wife, the listless enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility or from weakness, will find immediate and permanent relief from the use of this incomparable renovator.

A STIMULANT THAT ENTAILS NO REACTION.

Its force is never expended, as is the case with opium or alcoholic preparations, and all other recipes, to effect the same end, are brief, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Elixir is an ultimate, and a single trial will satisfy as to its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, hypochondriasis dyspepsia, general prostration, irritability nervousness, inability to sleep, liver complaint, and all diseases incident to females hysterics, monomania, vague fears, pulsation of the heart, barrenness, constipations, &c., &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

It is the only infallible remedy, ever discovered for Nervous Head and Mind Complaints It is the metaphysic long sought for, and never before found, the only natural agent that can "administer to a mind diseased." In cases of Neuralgia, Headache, Vertigo, pain in the Nerves of the face, and and the various train of Nervous Affections, it will produce a cure in a much shorter period of time; and it will also remove Depression, Excitement, a Tendency to Blush, Restlessness, Sleeplessness, Dislike of Society, Incapacity for Study or Business, Loss of Memory, Confusion, Giddiness, Blood to the Head, Melancholy Mental Debility, Hysterics, Indecision, Wretchedness, Thoughts of Self-destruction, Fear of Insanity, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it, induce continual cheerfulness and equanimity of spirits, and prolong life.
