HASHEESH CANDY.
HASHEESH CANDY,
FOR
ASTHMA,
ASTHMA.

Mr. Wm. H. Read—
Dear Sir—I wish to inform you by this writing that I have been suffering with Asthma in its worst form for 20 years, spending within that time hundreds of sleepless nights in the most distressing manner. Everything failed to give relief until I obtained a box of HASHEESH CANDY, which proved the most wonderful curative agency I ever used, relieving me immediately in the severest attack by the Chlorose. Often I have been so severely attacked that I could with great difficulty breathe at all, and was incapable of lying down at night, having such terrible smothering sensations. Medical men of all schools failed to afford the least relief. Without much hope I resorted to this wonderful Candy in January, 1864, ever since which time I have slept without the least trouble by using some when ever threatened by an attack, and am thankful that such a remedy is to be found. I recommend it to all afflicted by Asthma, Rose Cold, Hay Fever, or diseases of that class.

COUGH SYRUP.
COUGH SYRUP.
COUGH SYRUP.
W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs Colds, Croups, Asthma, Hoarseness, Bronchitis and all PULMONARY COMPLAINTS.
This SYRUP is one of the most certain and effectual cures now in use, as has been proved by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely undermines health. Many a *neglected* cough has been the unhappy precursor of long years of suffering; and many a Cold that has been permitted to run its course, has barried its victim into the premature grave of the Consumptive. It is a well known fact that we scatter the truth when we say that a *very little* care and attention *at first* would have warded off that dreadful bandmaid of death—Consumption—from many a one who is now lingering beneath its tortures. Be careful then how you neglect that Cough or Cold upon which you now look so lightly, and remember that a trifle expended upon some good Cough Remedy may preserve your life.
Certificates from the following gentlemen cannot fail to impress the public mind with the value of this truly valuable remedy:
From REV. JAS. H. BIRD, Member of East Baltimore Conference.
This certifies that I have used W. H. Read's Cough Pectoral Syrup with the most happy effects, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.
Wm. H. Read—Dear Sir—I have used your Syrup of Liverwort; it was of great service to my throat, and relieved me of a heavy cold. I can recommend it to clergymen and public speakers.
ANDREW MANSHIP.

From REV. WM. W. HICKS, late Missionary from India.
*Mr. Wm. H. Read, Sir:*
I cheerfully recommend your Syrup to all persons afflicted with Coughs or Hoarseness, as a certain cure.
The Compound Syrup of Liverwort may truly be called the sufferers friend.

We have many more certificates than we can publish, all speaking in the most emphatic terms of the great value of this medicine, and in every case recommending it to their friends. Among them may be found

THE
BALTIMORE
WEEKLY CLIPPER,
THE CHEAPEST NEWSPAPER
IN THE STATE.

The undersigned would call the attention of all desirous of having a good Weekly Journal to the
BALTIMORE WEEKLY CLIPPER,
one of the largest and cheapest Papers published in this or any other State.
At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so
CHEAPNESS,
when everything else almost has advanced in price more than one hundred per cent., is also a great requisite; and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the
WEEKLY CLIPPER
at the low price of
$1.50 PER YEAR.
Let those who need such a paper, remember that for this comparatively small amount, they are furnished
THIRTY-TWO COLUMNS
of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.
To accomplish the enterprise, however, and to do the undersigned and his subscribers full justice, he must have
PROMPT PAY;
and therefore no paper will be sent from the Office but what is
PAID FOR IN ADVANCE,
and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. Without the adoption, rigidly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprise; and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the State.
Let the friends of the paper in the country, recollect also that a
WEEKLY "PRICE CURRENT,"
accurate and reliable, will be amongst the matters furnished, something which alone would justify them in favoring the small amount required for one year.
The aim of the new Proprietor is to furnish a First Rate
FAMILY AND BUSINESS PAPER,
embracing whatever may be *interesting, amusing* and *instructive*; and he hopes, therefore, that the subscription list of the *Weekly Clipper* will not fall behind any.
Subscriptions must be remitted in
UNITED STATES NOTES.
Postmasters and others sending in subscriptions, will be furnished one copy gratis.

## MEDICAL.

ARMY DISPENSATORY.
THE GREAT REMEDY FOR
Army Dysentery,
CAN BE CARRIED in the POCKET-BOOK AND AS A TIMELY RESOURCE IN DISEASE IS UNEQUALLED.

No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in air-tight metallic coverings, occupy little space, and can be taken in a tumbler of water—The prescription has been proved of the highest efficacy on the Chagres route, in Mexico, Central America, and elsewhere, the best of these climates fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as Surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a *specific*, when tried on the most delicate child or the adult, where the printed directions are followed. It is known as
DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY.
for the prompt and decided cure of
DYSENTERY AND DIARRHŒA.
(either recent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of children, and Bilious Cholic. Put up in small air-tight packages, which will keep in all climates for any length of time.

TO THE PUBLIC
The efficacious, scientific, and curative preparations, is now for the first time, at the urgent solicitation of many personal friends who have experienced its good effects in private practice, confidently offered to the public, after having been the means of curing within the last seven years, at least 8,000 cases of these often fatal diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, raised about by the Ocean's swell, which is one cause of the great fatality attending these diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California, also in several parts of South America Central America, and Mexico, and in various parts of the world, by one of the proprietors of the above named on a second voyage, which was much impaired by his campaign in the American army in Mexico.
It is well known that the terrible scourge Dysentery sweeps into a hundredly made graves many thousand annually, and that it is not confined in its ravages to any part of our globe, but ranges at large remorseless, cutting down its victims. Let *none be said and called to relieve it*, the tender infant as well as the aged and trembling adult in all variations of climate.
In view of these facts, and the *utter failure* of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Dysentery or Army Diarrhœa, and who had previously, as well as since, an unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of the Tropical Dysentery Remedy, which after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a cure will be effected.
With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can be told in the compass of this notice. For seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, the writer hardly met a single domestic traveller, as well as soldier, many of whom, as is well known, barely survived to reach their homes at the close of the war with Mexico, with the remedy, who have been gratefully astonished at its effects under its administration by him.
Brewing aside all *"old wives' wives and fables,"* and the many harrowing tales which had always prevailed in regard to these fatal diseases, the proprietors in conclusion would charge those who would not save their loved ones, when prostrated in consequence of these diseases, to give the trial according to the *simple directions* and no physician will ever be needed in the above named dangerous diseases; one small package often times effecting a cure.
TO MASTERS OF SHIPS.—To those who "do business on the great waters," it will especially be found invaluable, and no Ship-masters should fail to take it on leaving port, as it was on the sea more especially, "mid storm and wave," that its virtues were first more thoroughly made known and abundantly tested by a Ship Surgeon, and that too, while in the West Indies, where it is now in general use, and which is more than in more temperate climates. The motion of the ship also, from his observation, always aggravating these symptoms, and heretofore the want of the means to effects to relieve the patient, to the above diseases
☞ Travellers will find, from the compact form in which the powders are put up, that they can be carried in the pocket, or with their wardrobe, without the slightest injury. When required, are taken in cold water. No hotel, proprietor, or Country Merchant, should be without it, as many opportunities present themselves in the course of the summer where speedy and certain relief is required by their patrons.

TESTIMONIALS.
An examination of the following testimonials is earnestly invited: they do not purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the most influential and well known citizens residing in our midst, who can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy.
Subscribers remedy I do not hesitate to say, from my own experience and that of my family, surpasses in its curative effects, all medicines for Bowel Complaints, (especially children,) I have ever known and the success which has attended its exhibition in private practice, I cheerfully testify to, from my own personal experience, and feel certain many others have to testify to that you had not earlier made the public acquainted with it as I have often urged you to do, for I have no doubt in Dysentery many valuable lives thereby might thereby have been saved by it.
Respectfully yours,
RUFUS LAGETT,
Attorney and Counsellor at Law,
No. 16 Wall street.

CROTON POINT, Westchester Co., N. Y.,
April 6, 1853.
ESTEEMED FRIEND.—I take pleasure in testifying to the very beneficial effects of your medicine in my family.
A case of Dysentery occurred during the summer of 1852, by which the patient was reduced very low, and although the usual well known remedies were promptly administered, continued to grow worse; but who was completely and effectually restored by the use of your remedy prepared for that complaint.
Subsequently an infant child was attacked with Summer Complaint during the hot months, which run its course unabated, despite all medicines used by our physicians, for six or eight weeks. There seemed no hope of recovery until your remedy was procured and administered, when an improvement was immediately noticed, and a permanent cure was effected.
Very truly yours,
RICHARD D. TALCOTT.

BROOKLYN, Sept. 1853.
While confined to my bed in consequence of a very severe attack of Dysentery, a friend administered a dose or two of your Remedy. The relief was immediate, and my kind friends not to be without it; and I know while I have it, with the directions, a Physician need never be called in that usually troublesome and often fatal disease.
Respectfully yours,
JAMES ROBERTSON,
133 Court street, Brooklyn.

BROOKLYN, July 1853.
DEAR SIR—I was taken with a severe attack of Dysentery, and could get no relief from the best advice I could obtain, until accidentally I heard of your medicine. I took it and obtained immediate relief; rode out the next day, and by great imprudence in diet, brought on a severe relapse, which was again relieved by the medicine; and I am happy to add, was permanently cured.
JOHN WILSON,
Shillman st., near Myrtle Ave.

EAST BROOKLYN, L. I., June 1853.
DEAR SIR—The effects of your medicine and mode of treatment in Dysentery, Diarrhœa, and bowel complaints, I have had the astonishment in my own family. The relief was prompt, decided, and effectual in a few hours; and I am happy to acknowledge, that in my humble opinion, if your directions are administered, and the directions followed, that a cure would be effected in every instance, in a disease usually fatal in the hands of many able physicians. It is quick, safe and as promptly relieves the blast, as well as adult. We would not be without it.
Respectfully yours,
JOHN JAY WOOD.

DEAR SIR—The small package of your "Tropical Dysentery Remedy," placed by you in the hands of a friend, a short time previous to your sailing for Australia, absolutely saved the life of myself, wife, child and others in his CELEBRATED LAGER BEER, expressly prepared for export. All orders promptly attended to.

THE GREAT INVIGORANT.

CURES, CURES, CURES,
*NERVOUSNESS AND WEAKNESS*
And all diseases arising from excesses and over exertion whether physical or mental.
To persons of feeble manufacture, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the enjoyment of life, and the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or age. The feeble girl, the ailing wife, the listless, enervated youth, the overworked man of business, the victim of nervous depression, the individual suffering from general debility or from weakness, will find immediate and permanent relief from the use of this incomparable renovator.
A STIMULANT THAT ENTAILS NO REACTION.
Its force is never expended, as is the case with opium or alcoholic preparations, and not other one of the effects of the latter is described, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Elixir is an exhilarant without a single drawback—each in its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, hypochondriasis, dyspepsia, general prostration, irritability nervousness, inability to sleep, liver complaint, and all diseases incident to females hysterics, mcpomania, vague terrors, palpitations, &c., &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.
It is the only infallible remedy, yet discovered for Nervous Head and Mind Complaints. It is the metaphysic long sought for, and never before found, the only natural tonic, the only "administer to a mind diseased." In cases of Neuralgia, Headache, Vertigo, pain in the Nerves of the face, and the various train of Nervous Affections, it will produce a cure in an astonishingly short period of time; and it will also remove Depression, Excitement, a Tendency to Blush, Restlessness, Sleeplessness, Dislike of Society, Incapacity for Study or Business, Loss of Memory, Confusion Giddiness, Blood to the Head, Melancholy Mental Lebility, Hysterics, Indec
