THE PEACE COMMISSION.

Nothing to be Expected from It.

General Sherman's Movements in South Carolina.

Latest from the South. The following is from the Richmond

Whig of the 4th: from Branton's Bridge, dated 7.40 last Campbell. Upon the arrival of these gennight, says "the enemy advanced to-day tlemen, they were at ouce invited to an across Whippy Swamp, driving in our their desire to proceed to Washington, for cavalry on our left six miles from this the purpose of discussing the question of place. They are supposed to be in heavy peace with the President Mr Sewar.

Augusta road, moving rapidly to some sent to meet them at that point upon the unknown point.

Whippy Swamp is about thirty miles same distance southwest of Branchville. Government had consented to send them Before reaching the latter place Sherman's only in consequence of Mr. Blair's assutroops will have to cross several tributa- rance that they should have a personal ries of the Combahee, as well as the Elisto River.

The enemy have possession of McBride's

Bridge, and skirmishing is going on a front of Braxton Bridge. The enemy are certainly moving on Branchville. A dispatch from Adam's Run says that '

the enemy came up in barges to Young's was perfectly friendly and good tempere Island yesterday about noon, and drove in throughout. Not a word was said in our pickets. They fired several buildings on plantations, and retired this morning. Three steamers are off White Point, and

a landing is threatened. Adam's Run is about twenty miles south west of Charleston !"

From Memphis.
