TO ADVERTISERS.
The following exhibit of our regular rates will be found of service:

Those persons who wish to have the Clipper served to them on the Federal Hill road, may have their names at the Drug Store of Mr. Robbins, corner of Light and Hugles streets.

OUR ADVERTISING AGENT.
Our advertising agent for the city is Captain William Gilson, who will, on every opportunity, call upon the old patrons of the Clipper, and to whom any favors in the advertising line will be handed. Our patrons will find him entirely reliable.

THE PROMISE THAT WHEN PEACE IS ACHIEVED, IT WILL BE FIGHTED.
While there seems to be a disposition at present on the part of some to consider the South as an aggrieved or assailed party, simply because that section is getting the worst of it, it is due to all to remember that so long as the rebel leaders are in the field, nothing could exceed their determination to ride rough shod over everything in this direction.

It is well to recall all this now. It is well to counter to that day, or to-morrow, could these traitors and mercenaries get the advantage, they would pursue it, as they always have done, any temporary success, with the most remorseless and cruel purpose to dominate and oppress every man, woman and child in this Union.

ORIGIN OF THE BANK OF ENGLAND.
So late as the time of the Restoration, every man kept a strong box in his own house, and when an acceptance was presented to him, he took down the crown and Carolina on his own counter. Gentlemen looked up their gold, and he took out his money, and he took out his money, and he took out his money.

THE CHARLOTTE MERCURY.
The Charlotte Mercury, which has been a long time in the hands of the rebels, has been returned to its original proprietors, and it is now published as before.
