(either recent or chronic). Cholera, Cholmer Complaint of Children, and Billous TO THE PUBLIC.

In view of these facts, and the atter failure of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Distemper or Army Diarrhosa, 'and who had previously, as well as since. unequalled experience in Tropical diseases. was called to the above complaints, and the result is, the introduction to the public of the "Tropical Dysentery Remedy," which after one trial by those afficted, will make itself favorably known; and if taken, and the accompanying directions strictly fol-, lowed, a speedy cure will be effected. With these few remarks, it is now confidently offered to the public, who can rely known, as those relieved by it for the last seven years, were individuals of all civilical infinences on their way to the lands of gold, from the hardy mariner to the ener-

Throwing aride all "old wives whims and falles," and the Amriguated Tampenia which has always prevailed in regard t these fatal diseases, the proprietors in conclasion would charge those who would no Photostet in the same broatsted consequence of these diseases, to give it relieve the patient, in the above diseases.

strength, neither physically nor mentally, to nnderen ouch doaik dealing erveriments. He who created the human body always speaks of it as a mighty whole, and the man must be a knave or sool who would attempt to divide the system into sections, and treat any discase specifically, independent of the parts or mighty whole to which they belong. All such practitioners treat the preserts, but know nothing of the CAUSE whatever. Thus the world i The alarming condition of the recopie physically, especially the young, who are old with discess before they begin to bud fato life, to gether with our sad experience in having been bereaved of dear triends, who have passed into These circumstances, with many others which might be mentioned, are an irresutible stimulus to the resple to demand of every man who has the life and health of themselves and their leved ones in his hands, and is continually adminis ficient in vital power, it is recommended as i tering medicines which the petient is not allowed to know the name or nature of, I say under these higher mental attributes. July 27, 1864 -I, Mrs. Nancy Sloan, of No. 86 Warren street, Chalestown, do certify that I have been afflicted for ten years. My right side was so parklyzed that I could not lie on sore throat: would cough from one to five ' hours at a time; was very nervous; seldom could sleep at night. I had a lung fever two vears since. Which reduced me to a skeleton. had all the medical advice and medicines money could produce, but all to no purpose. I was fast sinking in the last stage of consumption. I was confined to bed when Mrs. AYRE'S CHERRY PECTORAL. li. (i. Brown's Metaphysical Discovery was : sent for. It was applied according to direc-! tion. I felt no better, but rather worse for
