[Reported for the Baltimore Clipper.] PROCEEDINGS OF CONGRESS.

35th Congress-#d Bession. Wasnington, Feb. 8, 1665. HENATE -A message was received from the Hampton Boads. House, accounting the appointment of Mesers. Wilson, of lows, and Dawes, of Pa. as a committee on the part of the House to count

the Presidential rote. Mr. Harris presented a petition from pas-Military Committee. Mr. Summer presented a petition, headed i

by Henry W. Longfellow, asking that inferior cilices in the gift of the government be filled by perfects honorably clicharged from the Army and Navy of the United States. On motion of Mr. Collamer, the Senate proceeded to the consideration of a bill rela. bidy to count the electoral votes. ting to Post laws. This bill provides that all demestie letters deposited, wholly or in part unraid more than a ringle rate of postage, Counting the Electoral Votes for President inviting each Biste to contribute two statues The back ground of the picture represents the King. bill. It was not proposed to make newspa- | West Virginia, 5; Nevada, 3. Btates, 25. could not be done in the cases of daily newspapers having immerse circulation, as they could not get their papers off if they were to and to leave this matter to the discretion of under which the prepayment could be made. It was probable that the Postmaster General; swern statement from the subscription books President? at the publication effice. Mr. Collamer further explained, saying the bill had the appro- bad been sent to Congress of the fact, but he val fahe Postmaster General. A meresga was here at forty-five minutes by the President, and was a law. part twelve o'clock, received from the House announcing that this body was ready to recrive the Senate to proceed with the Presi dential vote.

At one o'clock, the Vice-President said "Senators will prepare to proceed to the House of Representatives." Accordingly, the procession, led by the Vice President and Beeretary of the Benate, cept to what had been read. was formed, and proceeded across the Capitol, to the half of the House of Representatives. At two P. M., the Menatorial procession re-

turned to the Benate Chamber. Mr. Samper, immediately on reacting his derk, moved to take up his resolution request ing the President of the Unit-d States to commanicate information relating to a conference with certain rebeir. Mr. Bucksiew thought the Benator might wait tin they took their seats. He objected

to taking up the resolution. On motion of Mr. Trambuil a resolution was ad pied that the Senate appoint a committee of one to join with a committee of two on the . part of the House and wait upon the Prestdent, Abraham Linetile, and inform him of his election to the Presidency for the term of four years from the 4th of March next. Mr. Summer renewed his motion to take up the resolution in relation to the peace conference, and the motion prevailed. Mr. Banlebury offered an amendment that the President be also requested to inform the

Menate whether he and others acting under his anthority, did not require as a condition of re Union, the acquiescence of the persons mentioned in Mr. Summer's resolution, and of the authorities of the Confederate States in the abilities of elevery—alen, whether he didmit refuie at armistice to the Confederates, destred by them to prepare their people for

. Mr. Hammer opposed the amendment as not safficiently respectful. Mr. C theer thought the President would communicate all the information in his posses. turn without the special request contained Mr. manisotry's amendment.

The amendmentwas not adopted. Mr. Interman said he opposed the resoluti of Mr. Hammer gesterday because he did no believe that it related to any matter of a le istaires coaracter which coght to be broug define Citaress. The President had the power Entra y ander the Constitution, but by express act of C ogress to grant terms of amnesty to the reboil. He doubted whether it was wise to call for this information unless t was necessary to allay public excitement. Mr. Distille extertained no objection the resolution from any fear that when the facts were stated anything would be revealed. t. weaken the contidence of the people in the died and sixty five. President of the United States. The Senate vight to be satisfied the President had discharged his daty to the country. The great Ewrof the people were satisfied with him, and had contience in him. He (Mr. Doolit ter did not think it wise to pass the result Mr. Morrill did not believe it was necessary for a Senator to get up in the Benate to de-

fend the President. There was no occasion to tring in sant an issue. He objected in a mere i retired to their own chamber. Feet with of inquiry to be told that if it was passed, the Senate would not have the regard for the President which it ought to have. Mr. Hamner said be had beard the speech ." the heaster from Wisconsin more than orders this moor, and admonished him to ; take the advice of the distinguished Oble! The House met at half past seven o'clock. Justice of Lugiand, Metthew Hale, who was Mr. Soper, from the Committee on Corpoaccust med to ear to the very ardent advo rations, to which the bounty bill with Sepate cates, "I) :L't jump till von get to the style." smendments had been referred, reported said When Henaters on this floor attack the Presi- bill with an amendment, striking out all after dent of the United Bister, then the Henstor the enacting clause and inserting a new bill, may rush forward as speedy as he has to de- which was slightly amended and passed-

Mr Doslittle replied, saying that Mr. to the Senate. Fumner had stated in his former speech that the amendment of Mr. Haulsbury was substantially an attack upon the President. He Cox, President, and Senstors. whenever a party undertakes to attack propriation. the Admitistration to put them on their Mr. McMasters presented the petition of examination, to jut them on their inquiry, citizans of Worcester county for a law to leto begin to cross examine.
