HUEF, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., may be consulted daily concerning and undertake the worst cases that have been abandoned by other physicians—such as Constitutional Debility, great Nervousness, Palpitation of the Heart, Pains in the Loins, nocturnally troubled with dreadful dreams and other derangements in youth or adult; all those alarming affections showing themselves in attenuation of the body, blushing, deficient memory, loss of power and energy, retention of the Menses, Dyspepsy, Liver Complaint, Affections of the Lungs, Dimness of Sight, Disease of the Heart, Weakness of the Digestive Organs, &c. No further comment may need be added. COUGH SYRUP. COUGH SYRUP. COUGH SYRUP.

W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs, Colds, Croup, Influenza, Hoarseness, Bronchitis and Incipient Consumption.

THIS SYRUP is one of the most certain and effectual cures now in use, as has been proved by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely undermines health. Many a *neglected Cough* has been but the precursor of long years of suffering; and many a Cold that has been permitted to run its course, has hurried its victim into the premature grave of the Consumptive. Every one knows that we do not utter the truth when we say that a *very little* care and attention *at first* would have warded off that sixth cold, or hundredth cough, and thus saved them from many a one who is now suffering beneath its tortures. Be careful then how you neglect that Cough or Cold upon which you now look so lightly, and remember that a trifle expended in this known good Cough Remedy may preserve your life.

Certificates from the following gentlemen certainly fail to impress the public mind with the value of this truly valuable remedy:

From REV. JAS. H. BROWN, Member of East Baltimore Conference.

This certifies that I have used W. H. Read's Cough & Liverwort Syrup with the most happy effects, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.

MR. H. READ—Dear Sir—I have used your Syrup of Liverwort; it was of great service to my family, and I believe it is a very useful medicine. I can recommend it to clergymen and public speakers. ANDREW MANSHIP.

From REV. WM. W. HICKS, late Missionary from India.

Mr. Wm. H. Read, Sir:

I cheerfully recommend your Syrup to all persons affected with Coughs or Hoarseness, as a safe cure.

The Compound Syrup of Liverwort may truly be called the sufferers friend.

WM. W. HICKS.

We have many more certificates than we can publish, all speaking in the most emphatic terms of the great value of this medicine, and in every case recommending it to friends. Among them may be found

REV. JAS. S. McMURRAY;
REV. GEORGE HILDT;
REV. SAMUEL A. WILSON;

MEDICAL.

℞ CLEANSE THIS BLOOD.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may overpower and keep you restless, depressed and good for nothing. But you cannot have good health while your blood is impure—AYER'S SARSAPARILLA purges out these impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative property whatever. Hence, bitter disappointment has followed the use of the thin extracts of Sarsaparilla which flood the market until the name itself has become synonymous with imposition and cheat. Still we offer in its compound "Sarsaparilla," and intending supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which render it available by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

MEDICAL.

ARMY DYSENTERY.

THE GREAT REMEDY FOR

Army Dysentery.

CAN BE CARRIED in the POCKET-BOOK AND AS A TIMELY RESOURCE IN DISEASE IS UNEQUALLED.

No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in air tight metallic coverings, occupy little space, and can be taken in a tumbler of water. The prescription has been proved of the highest efficacy on the Chagres route, in Mexico, Central America, and elsewhere, the haunt of these oftentimes fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as Surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a specific, when tried on the most delicate child or the adult, where the printed directions are followed, giving it are faithfully followed. It is known as

DR. F. J. AGRIMONT'S
TROPICAL DYSENTERY REMEDY,

for the prompt and decided cure of

DYSENTERY AND DIARRHŒA,

(either recent or chronic). Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Colic. Put up in small sized Pasteboard Packages, which will keep in all climates for any length of time.

TO THE PUBLIC

This efficacious, scientific and curative preparation, is now for the first time, at the urgent solicitation of many personal friends who have experienced its good effects in private practice, could easily offered to the public, after having been the means of curing within the last seven years, at least nine cases of these often fatal diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, tossed about by the Ocean's swell, which is one cause of the great fatality attending these diseases on shipboard. It has also been used with success by the soldiers and miners of Australia as well as California, also in several parts of South America Central America, and Mexico, and in various parts of the world, by many of the physicians who travelled on account of his health, which was much impaired by his campaign in the American army in Mexico.

This valuable and terrible scourge Dysentery, sweeps into hurriedly made graves many thousand annually, and that it is not confined to its ravages to any part of our globe is also true, for it is remorseless, cutting down, *in spite of the best medical aid called to relieve it*, the tender infant as well as the aged and trembling adult in all climates and countries.

In view of these facts, and the *utter failure* of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Distemper or Army Diarrhœa, and who has previously, as well as since, unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of this "Tropical Dysentery Remedy," which, after one trial, will speak for itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.

Price per box, One Dollar. Liberal reduction to agents.

Will soon be sold by all respectable druggists in the United States.

It has also been used with success by the soldiers and miners of Australia as well as California, also in several parts of South America Central America, and Mexico, and in various parts of the world, by many of the physicians who travelled on account of his health, which was much impaired by his campaign in the American army in Mexico.

This valuable and terrible scourge Dysentery, sweeps into hurriedly made graves many thousand annually, and that it is not confined to its ravages to any part of our globe is also true, for it is remorseless, cutting down, *in spite of the best medical aid called to relieve it*, the tender infant as well as the aged and trembling adult in all climates and countries.

In view of these facts, and the *utter failure* of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Distemper or Army Diarrhœa, and who has previously, as well as since, unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of this "Tropical Dysentery Remedy," which, after one trial, will speak for itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.

MEDICAL.

CLEANSE THIS BLOOD.

℞ With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may overpower and keep you restless, depressed and good for nothing. But you cannot have good health while your blood is impure—AYER'S SARSAPARILLA purges out these impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative property whatever. Hence, bitter disappointment has followed the use of the thin extracts of Sarsaparilla which flood the market until the name itself has become synonymous with imposition and cheat. Still we offer in its compound "Sarsaparilla," and intending supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which render it available by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.
