[Reported for the Baltimore Clipper.] PROCEEDINGS OF CONGRESS. 28th Congress- #d Bession.

WASHINGTON, Feb. 15, 1665. BENATE.-On the meeting of the Senate at 12 . o'clock, the Chamber presented evidences of the solemn ceremonies which were about to transpire in consection with the luneral of the late | Hon. Thomas Holliday Hicks, senater from Maryland. Bows of seats hed been placed on the fiver for the accommodation of members of the Hiuse, and dignitarity and others who should ! compose the funeral certige, and netwithstanding the very inclement weather the galleries were tolerably well filled with an interes od and

sympath zing audien.e. Cay was dis; ensed with. Mr. President-It is my painful duty toasnounce to the Senate the death of my late coll-sgue and friend, Thomas Holliday Hicks. The sid event occurred at his ledgings in this city on Monday m thing, the 13th lustant, at seven o'cl.ck. A few days of indisposition, so apparently slight as to give his friends his uneastness, was without any seeming promonition fellowed on the Friday before his death, by a sudden attack of paralysis to severe that its fatal result was at once seen to he in-vitable at d rear at hand. It rendered him speechiese, but did not so affect his mied but that he recognized the friends around him, and by whom to the last he was carefully and affectionately attended until within a few hours of his decease Governor Bick. (a title bi waich he is bes. known, and will be ever gratefully remembered. not only by Maryland, but by the nation,) was bern in D reheater county, M1, on the 21 c. September, 179". His paients were highly respectable, but with a large family and limited Lienus, they were unable to give their sons a collegiste aducation. What they were taught ... His father being a farmer, to retnor 111 ks asterminated, when her mimen ed a career of his

and confidence, he was it an early age made a constable of Lie county, on other humble but ross of civil war. toustworthy, and discharged so satisfact irily that in lett, at the early age of 26, he was elected its forture of the people of Maryland to be saved, shariff, an office of high grade and of much imto tance and responsibility. reuce and it territy that commanded general a - winter. It was most providential and fortunate, proval, and give him even a strager he len the both for the State and the Union, that Maryland popular judgment. Its term experted, he engaged at that time had a Governor fully equal to the in mercantile business in Vienna, a village in emergencies of the hour. He saw and comprehis county, and in this position his diffeet coand integrity were egain exhibited. In 1:36 he wes el cled a mer bar of the electoral college, which at that period appointed the Senators of the recommended, jet no one, it is believed, will State, and in the proceedings which essued, at d which for a time file lour citie the with selfture and attracted the attention of the whole c unity, he conducted himself with his accustuned dis retion and firmness, and evinced his inherenth se of law and order. He was at one t me erect the Givernet's Council, a situation or the greatest trust and honor, and for several years was elected by the people of Dirchester a member of the House of Desegates of the State, and on each occasion so dispherged his duties as les." to retain their conflience. in 1-2" e was appointed by the Governor effire was to a fective by the secrite he was twice elected to it, and would have been a third; a record time if he had not declined it. In this efficial and important trust be again displayed business. capacity and perfect integrity. In 1849-50 by the

he was elected to the Constitute hal a orvention of the S are and discharged the duties faithfully. and with ability. He was afterwards chosen by politizationte G vernor of the ftere, and held that station when the present rebells is commence! and until 1 -. It is hich official conduct in shat a trace that has made his name so well and familiarly known to every 1-yal man in the Union. Turing this period his responsibility was such as to task Lie firmeess and his judgment and to test his patrictism. They proved equal to the emergency with a people whose feelings, from their locality and sameness of habits and institutions, were so well calculated to cause them to sympathise. with our Southern brethren, and who were sensitively alive to any laffuence, with that particular ire itution they had known and possessed from the colonization of the States. and in which their pecuniary means, were largely inves ed, with business and social relations closely binding them to the South, i was not curprising that they should, for a time, forget the paramount outs which they owed to the General Government, or be blind

shore of his uniformity consisting constituents.

an attempt to disselve the Union which car Government created, and was wisely sesigned and endowed with powers amply adequate, if properly exerted, to preserve for This is not the occasion to dwell on these events. It is consoling to her leads some to whom the ro d name of the State and city is so dear, that they ferminicals: without effeature their design, and cladly would they h ve them forever forgotten . In these triv i: z m_m-nt-the Govern'r was true to Lidate. Throughout his term of office he drwoted himself with untiring industry, and REPORT WEST BILLY BITTO IS TO DECEMBE AND AREA rients to crush out thespiritof secessionism

to the consequences that were sure to follow

and to retain the State in Let allegiance to the Union. And he succeeded. Whin he Coased to be Governor she was legal in all the departments of her Government, and the peorie, by a veice appreaching unanimity proclaimed their fixed resolve to stand to the Union, not only as a master of almost hots duty, but as indispensable to their satets and prosperity, and so she and they have been everyince. It is not going too far to de-Clare that this result is in a great measure. to be attributed to the conduct of Governor In this interval of temporary forgetfulnese, an excitement, amounting to madness threatened the State with a fraternal war and with driving her into the rebellion that would have made her soil the battle ground

of the strife which has deluged every seceding State in blood, and would certainly have involved her in rain. Against every effort that ignorance or ambition could es say, to effect the invane and wicked purpose thoremer Hicks interposed the whole cower of his other and succeeded in defeating in Nor was this accomplished without personal peril. In April, 1-51, when the biobler the loval soldiers of Massachusetts was treasonably shed in the streets of our chief city, and its power for some days was wielded by men who fir the most just were resolved in rushing the State into rebilling, in was obstous to those who witnessed his

scenes of the day and moved among the par-Lies who engaged in them, that Governor High washe eligect of such intense animage. ity that his exfety was not assured. Had he listened to those who counselled a war: different policy, had be lent the power of his a oth, e to accomplish their object,—had beever filled to devote it, eatir by to their prostraina ion of all good and wise men. BALTIMORE CITY. --- AUGUSTA HLLMYER vs. JOHN KILLMYER —To the Hon Wm. Alexander, Judge, &c: The object the bill of complaint in the above case is to btain a diverce a vinculo matrimonii of the complainant. Augusta Killmyer, from the deendant, John Killmyer. The original bill states that in the year 1.57 the said Augusta was intermarried with the said John in cue form of law. and that she has always been to him a true and faithful wife, that the said John had treated her with cruelty and been excessively violent in his conduct towards her, assaulted her with blows with knives, and other deadly weapons, and has often threatened her life, and often attempted to take it, that his constant habit is to come home intoxicated, that he is dangerous, and his conduct towards her has driven her from thair home. for her safety, and that she has always used all means in her power to make their said home turbed sleep, which arise from interruption comfortable and happy, but all to no purpose, so that the is compelled to seek the sid of your decree divorcing her a menes et th to from the treatment of fregularities and obstructions said John. The amended bill states that at the which have consigned so many to a PERMI time sour complainant filed her said original bill TURE ORATE. No female can enjoy goo she had every reason to beheve the said John had health unless she is regular, and whenever committed adultery, but could not prove it, and an obstruction takes place the general health therefore did not charge it in her said eriginal begins to decline. These pills form the unest bill but that, since the filing of her said original preparation ever put forward with immebill, the fact has come to her knowledge that the diste and persistent success. said John has committed acultery since their said marriage, and before the filting of her said cricinal bill, and she therefore charges him with. Take this advertisement to your Druggist. the said adultery in her said amended bil; and and tell him that you want the past and thereur, nortage the writ of subpasse of this court most mantanes ranale manicipe in the healthy and invenile bloom to the comsgainst him to answer, &c., and also its decree would, which is comprised in these Pills. divorcing her a vinculo matrimous from the said It is therefore ordered this 30th January, 1:65 that, whereas two subjects english the said known for all complaints peculiar to Fe-John have been returned, non cit, the complain- males. To all classes they are invaluable, ast, by causisg a copy of this order to be insert- inducing, with certainty, periodical reguel in some newspaper sublished in the city of larity. They are known to thousands, who

weeks, before the 6 h day of March, 1965, give stance of this bill, and warn the said John to appear in this court in person or by solicitor, on or not be used-with each Hox. before the 9th of June, 1-15, to answer the premises, and show cause, if any he have. Why a debe parted as prejed.
