JULY 27, 1864 -I, Mrs. Nancy Stoam, of No. 65 Warren street, Chalestown, do ceruif that I have been afflicted for ten years. My right side was so paralyzed that I could not lie on it. During that time I suffered from catarrh. fore throat; would cough from one to five hours at a time; was very nervous: seldom could sleep at night. I had a lung fever two years since, which reducted me to a skeleton. I had all the medical advice and medicines money eculd procure, but all to no purpose. I was fast sinking in the last stage of consumption. I was confined to bed when Mrs. the city of elsewhere, on favorable terms. H. G. Brown's Metaphysical Discovers was sent for. REMARKABLE CURE OF DEAFNASS OF TWENTY YEARS' STANDING I. John A. Newcomb, of Quincy, Mass., do certify that I have been entirely deaf in my left Jacob Trust ear for twenty years, and for the past six years . my right ear has been so deaf that I could not

hear conversation or public speaking of any Lancaster Ould hind. I could not hear the church bells ring while I was sitting in the church. I have also been Loubled for a number of years with a vert sore throat, so that I was obliged to give up singing in church, for I had lost my voice. I had great trouble in my head, termble noises, almost to craziness. My head felt humb and stupid, and was a source of constant trouble to me them. About one month since I obtained Mrs M. U.
