MEDICAL.

DR. JOHNSTON.

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being startled at sudden noise, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

HIMSELF.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

DR. JOHNSTON,
Office 66½ South Frederick street,
Left-hand side going from Baltimore street.

HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., may be confidentially consulted, and undertakes the worst cases that have been abandoned by other physicians—such as Constitutional Debility, great Nervousness, Palpitation of the Heart, Pains in the Loins, nocturnally troubled with dreadful dreams and other derangements in youth or adult; all those alarming affections showing themselves in attenuation of the body—as aches, despondency, loss of Power and memory, relaxation of the Nerves, Dyspepsy, Liver Complaint, affections of the Lungs, Diseases of Right Disease of the Heart, Weakness of the Digestive Organs, &c., &c. No fee for consultation need be added. An extensive practice of over 16 years gives Dr. H. the advantage over all others, and ensures him able to cure diseases in a few days, which generally required weeks or months. Office S. COUGH SYRUP.

COUGH SYRUP. COUGH SYRUP.

W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs, Colds, Croups, Asthma, Hoarseness, Bronchitis and Incipient Consumption.

THIS SYRUP is one of the most certain and effectual cures now in use, as hundreds will prove by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely undermines the health. Many a hopeless decline has been but the precursor of long years of suffering; and many a Cold that has been permitted to run its course, has hurried its victim into the premature grave of the Consumptive. Every one knows that we no matter the truth when we say that a very little care and attention at first would have warded off that dreaded disease, Pulmonary Consumption—from many a one who is now lingering beneath its tortures. Be careful then how you neglect that Cough or Cold upon which you have no fear of fatality, and remember that a trifle expended upon some good Cough Remedy may preserve your life.

Certificates from the following gentlemen cannot fail to inspire the public mind with the value of this truly valuable remedy:

From REV. JAS. H. BROWN, Member of East Baltimore Conference.

This certifies that I have used W. H. Read's Cough Pectoral Syrup with the most happy effect, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.

WM. H. READ—Dear Sir—I have used your Syrup of Liverwort; it was of immediate use to my throat, and relieved me of a heavy cold. I can recommend it to clergymen and public speakers.
ANDREW MANSHIP.

CLEANSE THE BLOOD.

With corrupt, disordered or vitiated Blood, you are sick or will be. It may burst out in Pimples, or Sores, or in some or lye disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly Cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla as a new course of medicine, and see its searching and healing power upon the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but it is entirely worthless for purifying purposes whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become a reproach to the afflicted, and a cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall realize the name from the kind of trial to which we subject it. We have spared no pains nor expense in believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by anybody.

AYER'S CHERRY PECTORAL, is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists.

The subscription price is $20 per share for a limited amount of stock. No further call or assessment to be made on subscribers. $100,000 is reserved for a working capital, and $500,000 in stocks at par, for the future development of the company's property.

Its property consists of a perpetual lease of about 75,000 acres of oil territory in San Luis Obispo County, State of California, lying on and near the Pacific Ocean, being all the following five ranches, viz:

I. The Manuela Ranch, containing 16,954.83 acres.

II. The Arroyo Grande Ranch, containing 4,427.36 acres.

III. The Baisa Chemical Ranch, containing 4,333.22 acres.

IV. The Pismo Ranch, containing 8,238.80 acres.

The Stone Corral Ranch, containing 30,911.20 acres.

The titles of these large tracts have been thoroughly examined and approved by Judge Parsons, of San Francisco.

All reports, written and verbal, of gentlemen who, during the past year, have visited and thoroughly examined this property carefully and scientifically, concur in representing it as overflowing with petroleum. They say:—"The Ranches are splendid estates, but their value is in their almost fabulous wealth in the best of oil."

The Company's lands for extend over ten miles on San Luis Bay, on the Pacific coast, with a good roadstead, where shipments can be made with facility to San Francisco, South America, Australia, China and New York.

The lands have a gentle slope to San Luis Bay, and there is full assurance of the practicability of conducting the oil, at a moderate expense, through pipes from the wells to reservoirs or tanks, to be constructed at this point, when it can be sent to the markets of the world, either in its crude state or refined, according to the demand.

The cost of shipping will not exceed 50 cts. per barrel, and the company will be enabled to deliver Petroleum at New York at $5 per barrel, and at Australia and China at reduced rates.

It is designed to develop fully and practically, the means and wealth of this property at the earliest practicable moment.

The varied details giving all the information that can be required, with a general description of the character, advantages and prospects of the company's property, are fully and plainly set forth in the prospectus.

THE PACIFIC COAST PETROLEUM COMPANY, of New York, have been duly organized under the laws of this state, with a sufficient capital to render available its capabilities and resources in what is believed to be an unlimited supply of Petroleum, not surpassed in quality.

Subscriptions payable as above when the sum of $200,000 is subscribed.
