BALTIMORE. The time has come in the history of our city to look carefully after the interest of V. aged 16 months, youngest child of Wm. a branch of trade-that of Petroleum- PEPIN -In this city, March 14th, unhesitatingly frowned down by all whol. care for the prosperity of the community. We have had occasion once before to dis cuss this matter, in connection with move ments to prevent its storage and handling in the city; but the disability it has to: encounter now, in case certain propositions before the Legislature of the State County Roscommon, Ireland. can carry, are far more serious; and would : come well nigh to destroy the trade of Baltimore in this commodity altogether, banding it over to Philadelphia or New;

Two bills are before our State Legislature, at present, one of which is needless, Phelps, in the 33th year of his age. the other decidedly mischierous; and the first of these which we shall notice, is House bill No. 137, reported favorably upon by the Committee on Corporations when read the first time. It is entitled charged "An act to repeal section three hundred "and fifty-eight of article four of the code "of Public Laws of the city of Baltimore, "of domestic distilled liquors in said city,"

lieu" of this, provides for the gauging of gists. The genuine is signed, W. A. Betchelor "all rum, wine, molasses, lager beer, il Barcley street, New York. "malt liquors, or other liquid merchandice "imported, or put in any butt," &c. Now let it be noted, that with the ex- | demand, is made from the cheicest materials, is ception of the clause providing for the mild and emellicat in its nature, fregrently scent sent to any part of the world. mill-3m gauging of "lager beer," and "malt d, and extremely beneficial in its action upon liquors," the law would not be altered; Goods Dealers. and as for ganging these, the very nature

next is worse still.

the effect of driving the trade from this the corner of Baltimore and Frederick passed to provide for the enrolling and calling joining this interest. and useless. The old law already protioned in the first bill noticed,-as prolation except to create a needless office to the embarrassment of a most important, and growing branch of trade Baltimore, as all know who have occa-

in comparison with these neighbors, from stagnation of trade, and from embarrassplace for some partizan, to the injury of dis, and deal on the square with everybody, great interests? On an importation of lTCH. fity thousand barrels of Petroleum, the Will cure the lich in forty-eight hours-elso tax would amount to some twenty thou- cures Salt Bheum, Clears, Chilblains, and all gand dollars; a disability which producers ing to cents to Wooks & Potter, 170 Washington would be quiek to discover, and prompt street, Boston, will be forwarded free by mail. to act upon by turning their shipments in \_ mh 13-4& wem other directions.

We trust then that these bills, illustrating needless or mischievous legislation, will be suffered to die with their originaters; and let all at Annapolis rather tax their ingenuity to discover something that will develop and encourage trade and commerce in preference to destroying it .-- . Whilet thousands here are patiently waiting for the war to end, in order to see our the young become doubly brilliant by using this State and city freed from the disabilities omphilat Heidache, Palne in the side, "Crick which press upon them, let the Legiela- in the Back," and all symptoms of Stomachic Devangement, yield at once to the health-giving ture rather offer a bonus or premium as influence of Plantation Bittere. an inducement to develop the oil resources presumed to exist within our State, if it must do something in the way of legislating on the subject of trade in Petroleum.

THE WAR SEWS.

The news from army movements gets better and better, demonstrating that Sherman has things as usual pretty much all his own way, and that Sheridan, in what he is doing, and on a more limited ment, to be surpassed in color, taste, of any scale, finds almost as little opposition. A this rate, the Confederacy appears likely to literally explode: go up like a rocket, will furnish information and testimonials because no more than Savannah or Charleston, or Wilmington, can Richmond beaustained by bluster and brag .--Whilst the fact is proved that the leaders, edy after having suffered several years with are desperate enough, fierce enough, be- a severeling affection, and that dread dis- prior to the drait is all interested attend. cause in their case every fear is arcused, known to his fellow-sufferere the means of the case is equally clear that the rank and To all who desire it he will send a copy of file of the rebel army are getting thorough. the prescription need, (free of charge,) with the directions for preparing and using the ly demoralised, their desertions and their : same, which they will find a sure Care for declarations proving plainly enough that Consumption, Astime, Breasture, Mc.
