MEDICAL.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and sore when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Wakefulness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Denial, Love of Solitude, Timidity, &c., are some of the evils produced.

DR. JOHNSTON,

Office No. 7 South Frederick street,

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France) Member of the Medical and Chirurgical Faculty of Baltimore, Md., may be confidentially consulted, and solemnly the worst cases that have been abandoned by other physicians—such as Constitutional Debility, great Nervousness, Palpitation of the Heart, Pains in the Loins, accompanied by troubles with diseased dreams and other derangements in youth or adult, all those alarming affections showing themselves in attenuation of the body in motion, despondency, desert of power and memory, relaxation of the Nerves, Dyspepsy, Liver complaint, Affections of the Lungs, Dimness of sight, Blotches of the Head, Weakness of the Digestive Organs, &c. He has for his constant study the particular practice of every one to be cured. He extends the practice of every one to be cured. He extends the practice of over 20 years given Dr. H. the advantage over all others, and readers him able to cure diseases in a few days, which generally required weeks and months. Dr. H. is a native of Paris, and Frederick street, Baltimore. Soldiers cured for half price. All diseases arising from exposure cured immediately.

COUGH SYRUP.

COUGH SYRUP.

COUGH SYRUP.

W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs, Colds, Asthma, Hoarseness, Bronchitis and Incipient Consumption.

THIS SYRUP is one of the most certain and effectual cures now in use, as has been proved by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely ends in consumption. Many a neglected Cough has been but the precursor of long years of suffering; and many a Cold that has been permitted to run its course, has hurried its victims into the premature grave of the Consumptive. Every one knows that we do not utter the truth when we say that a very little care and attention at first would have warded off that dreadful handmaid of death—Consumption—from many a one who is now lingering beneath its tortures. Be careful then how you neglect that Cough or Cold upon which you now look so lightly, and remember that a trifle expended upon some good Cough Remedy may preserve your Life.

Certificates from the following gentlemen cannot fail to impress the public mind with the value of this truly valuable remedy:

From REV. JAS. H. BROWN, Member of East Baltimore Conference.

This certifies that I have used W. H. Read's Cough Pectoral Syrup with the most happy effects, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.

WM. H. READ—Dear Sir—I have used your Syrup of Liverwort in case of great service to my throat, and relieved me of a heavy cold. I can recommend it to clergymen and public speakers as a certain cure. ANDREW MANSHIP.

From REV. WM. W. HICKS, late Missionary from India.

Mr. Wm. H. Read, Sir:

I cheerfully recommend your Syrup to all persons affected with Coughs or Hoarseness, as a certain cure.

The Compound Syrup of Liverwort may truly be called the sufferers friend.

WM. W. HICKS.

We have many more certificates than we can publish, all speaking in the most emphatic terms of the great value of this medicine, and in every case recommending it to their friends. Among them may be found

CLEANSE THE BLOOD.

Rx

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure—AYER'S SARSAPARILLA purges out these impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Humors, Sore Eyes, Rheumatism, such as Rheumatism, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little or no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall restore to the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL, is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists. fe1-3m
